INSTALLATION OF OFFICERS

by

DISTRICT GOVERNOR

HARRY LANE

Installation service of the Club again proved to be one of those rare occasions when the members received a new impetus for the coming year in the remarks of the installing officer and the retiring president.

District Governor Harry Lane of San Gabriel was the installing officer and it was indeed a pleasure as well as an honor to have him preside over this annual event.

One can readily see just why such men as Harry sooner or later get to the top of the ladder in Kiwanis, as well as in the business world and with the inspiring talk and introductions we were led into a new year.

Thank you Harry Lane for your very fine and appreciated installation program and we know that you too will have a very successful year in Kiwanis stewardship for this grand and glorious district.

♦ ♦ ♦

Our Club also has been honored in having one of its past lieutenant governors, Sam R. Frazee install the officers of the Escondido Club.

This Club is now up and doing, and especially in that it has the present Lieutenant Governor, Gordon Howell, an active member of that Club.

We are sure that Gordon will fully meet the requirements of a successful officer and anything that this Club can do to assist him in his work will be done.
