HOW ABOUT COMMITTEE REPORTS?

Up to the present time, the secretary has received just three committee reports towards making his monthly report to International.

Committee chairmen should make returns of some sort or another and even if you merely say that you had one, two or three meetings with your committee to discuss matters pertaining to your specific committee. Anything to make a report will be gladly accepted. Please get busy at once.

Clayton Phair of the Sports Committee reports a bowling match between a Kiwanis committee consisting of Kidd, Burton, Bigge Carter and Phair, and Anderson, Busch, Bannister, Johnson and Stowell of the Executives.

This match was bowled on the 25th of January and resulted in a total score of 2173 for Kiwanis and 2193 for Executives. However, our team won two of the three games but fell down heavily in the third.

Thank you Clayton for this interesting report of the work of your committee and we will look forward to further results of your committee work.

When Mrs. Ada Gardiner and Mrs. Katherine Lewis were haled into court at Quincy last week for fighting Justice of the Peace Jas. Jarrett asked a witness if Mrs. Lewis had been bitten in the fracas. "No I wasn't," volunteered Mrs. Lewis, "I was bitten in the neck."

INSPIRATIONAL TALK

Did you ever notice how quickly the time seems to go when we have a speaker who tells us something interesting and makes you feel that the time was all too short.

Well, Arthur Peterson was that man and we sincerely hope that the committee can prevail upon Arthur at some time in the future to give

a talk along similar lines as his only too few remarks last Tuesday.

Sometimes we wonder why it is necessary to go outside our own club to have speakers for we have the talent right here among our own membership. Let's use it more.

Thank you, Arthur, for this talk and here is hoping that you will come back with a longer one the next time.

WHAT ELSE COULD SHE EXPECT

After a hard day's ride on a coast-to-coast bus, during which there were numerous stops, an old lady who was quite nervous complained to the driver:

"Say young fellow, it seems like you stop at every other telegraph pole."

"Well, madam," the driver replied, you should remember that this is a Greyhound bus."

The next week's program will be devoted to one of our objectives, namely, Boys and Girls Work.

The Camp Fire Girls will put on a dance revue and there will also be motion pictures of interest regarding some of their work.

THE KIWANIS TIDINGS

Dr. Elliott G. Colby, who has been in rested in this work for a long time will be narrator and "Big Bill" Harper will be chairman of the day.

AND HE SWIPES DON'S DESSERT

The following article appeared in the La Jolla Kiwanis Klub under the pen of Frank Harmon its editor.

"Saw Mac Wilson at the San Jose meeting. He informed us that Don Hanson has gone into retirement. It seems that he finally tumbled to the fact that his brain did not measure up to his body and having a one track mind and also having the job as president of the San Diego Chamber of Commerce for this year, he decided to stick to that one organization in order that he might not become confused. However, he will attend the San Diego Kiwanis meetings each week just as if he were thinking in terms of Kiwanis which will be all right as they won't notice any difference as long as his bulk is present. (That is all that ever made itself felt anyway.) We'll miss

his occasional visit to our club, but Gethin says the hotel will be ahead because they always lost money on the food Don ate."

Frank—we resent this unwarranted slur against one of our prominent fellow members and we wish to assure you that you ARE BADLY MISTAKEN. Don eats very little for his size.

Matron: "We do not allow ordinary visiting. May I ask if you're a relative?"

Visitor (boldly): "Oh yes, I'm his sister."

Matron: "Dear me! I'm very glad to meet you. I'm his mother."

The next week's meeting will make it necessary for different seating arrangements so there will be some surprises in store for the members.

This however need not call for staying away but rather in an earlier attendance as you know just as

soon as you are seated, you will be served at once so the earlier you get there the sooner you can have your meal and be ready for the entertainment and other parts of the program.

Don Hanson made mention of the interclub meeting of the El Centro Club with us sometime in March.

Mention was also made of the Divisional meeting to be held at El Centro on February 24.

Many of the newer members have not yet availed themselves of the opportunity afforded in these interclub visitations.

There has never been a time when the members of this Club have visited anywhere that they have not had a very joyous and interesting time and the trip to El Centro should not be an exception to the rule.

The El Centro Club has in it a very fine bunch of fellows who will give a good account of themselves and their meeting so why not make it a point to set that date aside and perhaps make a three-day trip, leaving here Friday afternoon, attending the meeting in the evening and then look over the Valley on Saturday and Sunday.

We have done this several times and are always looking forward to the next time as it is a very enjoyable way in which to spend a few days outing.
