WHAT IS THE MOST PREVALENT DISEASE IN THE WORLD?

If someone were to ask you this important question what would you tell them? There are many things that people fear in the world and especially along physical lines but we are to hear from a specialist along this line at our next Tuesday's meeting.

Dr. Lester Furnace, who is a professor in the Western Reserve University had made a life study of his subject and will give a chalk talk on "The Most Prevalent Disease in the World."

Lester, by the way is also a member of the Kiwanis Club of La Jolla and that makes him doubly welcome.

Do not make any guesses as to what the most prevalent disease in

the world is but come next Tuesday and hear it from one who knows what he is talking about.

We again wish to thank Clayton Dible and the Exclusive Florists for their donations of "Batchelor Buttons" for members.

This always adds a bit of color to the meeting and members have expressed their thanks for this thoughtfulness on the part of Clayton.

KIWANIANNES

meet Monday noon

Kiwani-Annes and their guests will meet for luncheon in the San Diego Club next Monday noon.

Mr. Alberto Campione, manager of Hotel Del Coronado, will talk on, his recent trip to Italy,

All members of the Clubs of this district have been invited.

Ocean Beach, La Jolla, East San Diego, Oceanside, Escondido, National City, Calexico, Brawley, El Centro and Yuma.

Reception Committee—Mrs. Chas. Brown chairman; Mrs. George Hill, Mrs. John Vorheis, Mrs. Joseph Maddocks.

Decoration—Mrs. H. E. Rountree.

Indoor Sports

Clayton Phair, chairman of the Sports Committee is getting somewhat worried about his bowling teams.

It was suggested that perhaps the teams should come in for a bit of encouragement when our blessing is asked at the meeting and one member even suggested that the rest of us attend a Wednesday evening "prayer" meeting at Frank Lowe's church in the hopes that the teams would do better for our prayers.

We opine however, that one of the best things would be for more members to attend these bowling matches as spectators and start a real root-

ing section which might after all have the effect of "pepping" up the bowlers.

The Kiwanis Club of El Centro was represented by nearly twenty members and guests and it was indeed a very pleasant opportunity to again get acquainted with the "boys" from the Valley. We were told that El Centro still is in Imperial Valley and it will be a nice thing for this Club at some future date to go over and find out for themselves at an inter-club meeting with that club.

The musical program of songs by the Misses Hamerson and Faberof, accompanied by Miss Pauline Gleason were very much enjoyed and we were doubly glad to know that these young ladies are radio artist, appearing over one of our local stations.

We thank them for their part in making this program enjoyable.

The speaker of the day, Mr. G. G. Bennett gave us a talk which for downright common sense and practicality was a most welcome one.

Many of us remember the serious labor troubles which were experienced in Imperial Valley some years ago through communistic trouble makers and also remember the talk which was given us by the District Attorney of Imperial Valley along these lines, telling of the problems and the way the matter was finally worked out.

We have recently read an item in

the March Readers Digest regarding similar labor troubles in the state of Oregon and how the matter was worked out through co-operation of the laborers themselves.

We congratulate the speaker on his clear cut talk and hope to hear more about the proper settlement of these troubles which will have to be met in some way or another and that soon.

Thank you Mr. Bennett and we hope you come again.

We are always glad to have the Valley Clubs over and hope our interclub relations committee will bring on some more of these meetings which are always enjoyed.
