Members Please Note:

As Decoration Day falls on Tuesday, many members will not be present at the regular meeting and this will sorely reduce our attendance

There will be no program but those who find it convenient to attend will be able to hold "round table at the Club in the dining room and your attendance will be counted. Please be sure to sign slips which Mr. Sullivan will have on hand.

Those who expect to be out of town or elsewhere should make up their attendance at some nearby club. on Wednesday at Ocean Beach or National City, Thursday at East San Diego and Friday at La Jolla.

This will be a grand opportunity to make up through a visitation to another club and you should not miss this chance.

The talk given by Mr. Inui last Tuesday was a most enlightening one from many standpoints and it surely was good to have him with us.

Telling of the reason for the need of expansion from a territorial point of view he brought out the facts as they are at present and left his hearers to make their own conclusions.

The Japanese people have been a very enterprising race in the past 50 years and have grown in population as well as industry and have found it necessary to expand.

The occasion of his visit made it possible to have fifteen or more Japanese guests including Miss Chino who gave several very delightful soprano selections, accompanied by Mrs. Thill at the piano.

We are glad to have had this opportunity and hope to see Mr. Inui at the San Francisco Fair, where he is in charge of the Japanese exhibit.

The Boy Scout movement has grown to really mean something to the youth of today and judging from the Boy Scout who addressed the club last Tuesday on what it meant to him, and this was a typical case, the organization merits your earnest support in the present campaign for assistance.

We have many members of Kiwanis and especially in our own club who are very deeply interested in this work and with such fellows as Charlie Rinehart, Harvey Atherton and many others backing them, gives us a real reason to make whatever sacrifice might be necessary to assist in this worthy cause.

The response to the appeal of the Underprivileged Child committee for the sale of advertising space was most wholesome.

One member wanted to take all of the space, another wanted to take a space for the entire year and several members have already put up their money for current ads.

The project is a worthy one and the advertising will be purely voluntary on the part of the members, so what will you do?

How about some
advertising copy
for July?
