"WATCHBIRD"

It's nice having CONNIE KARABERIS (our Premier Weather Forecaster) back with us from his Eastern trip. Although they don't depend on his weather prophecies east of the Rockies - he certainly left us with excellent weather for Christmas - but he returned with a cold!

DON COMFORT is back from a Caribbean Cruise with a healthy tan - and - stories about ship board romances! No his - he states - Emilie was at his side the entire trip...

Our speaker told us that statistics prove that at the age of 70 there are five women to every man! Isn't that the darndest time for a guy to get those odds???

TOM PRENDERGAST, GALLERY FLORISTS, had over 1,000 Poinsettia plants in stock for Christmas (the office received one and knows how beautiful they were) - and he was sold out before Christmas! That proves that knowing your susiness and quality does pay! If you haven't visited TOM'S store - do... It's a treat to see all the beautiful floral arrangements he produces...

LUDI GRAF, GRAF'S FURS, Inc., Fashion Vally, is considered by the news media as the man to interview when you want expert advice on furs... LUDI - you LOOK GREAT on TV...

GEORGE DeVOSE (our real authority on home and business catering on a quality basis) hasn't stood still let alone sit down this past month...

OZ THORESON has the reddest face in town! The newspapers said that thieves entered his office - using a coat hanger on the front window (which is under a street light) and did a thorough job of taking resaleable items from the Red Cross offices at 3650 5th Ave.. This is the wrong way to obtain publicity about your new offices OZ...

BUD SPRAGUE is giving away a clever 1977 Farmers Almanac entitled "Built To Stay Tough". We will be using a quote weekly for greenback donations BUD... #1: "Children are a great comfort in your old age - and they help you reach it faster."

The birthday table was filled last Tuesday with legitimate birthday members... Very little cake left... JIM HURRY was unhappy until they brought him pie and cheese to go with his LARGE piece of cake! (JIM - you're not supposed to have regular desert when it's your birthday...)

Wasn't it great to see the Michigan boys come to attention when the Rose Bowl was mentioned... They backed up their pride with their "green" donations to the Foundation... And DAL WIDICK showed his affection for the UP-LIFTERS CLUB by matching all other members of the Club who stood up... The Foundation is \$20 richer...

Many of our members asked why we did not have a collection for our friendly waitresses this year. Because of the many fund raising events we had in December - your Club Board voted to pay them the same amount collected last year out of Club funds... and our "GALS" say thanks to you all - and we want them to know they are really appreciated...

SEE YOU TUESDAY - JANUARY 4, 1977.....
