"OUR PROGRAM"

JANET EVENSON, Genetic Counselor, Children's Hospital and Health Center, received her Masters in Counseling and Genetics from San Diego State University.

Dr. David L. Chadwick, Medical Director, Children's Hospital and Health Center, was interested in genetics and started the program in 1969 at the hospital with Janet.

They have a speciality clinic, an open clinic for the general public, and chromosomes studies, all three free for children and adults..

This program by JANET EVANSON, on "Genetic Counseling - Why we Are as We Are" is going to be very interesting. Don't miss it.

DON PERKINS is in MISSION CONVALESCENT HOSPITAL, 4033 6th Avenue, San Diego 92103.

Cards would be appreciated fellas.

"WATCHBIRD"

What an excellent program we had last Tuesday! Adm. ED MILLER and WALT DeBRUNNER did an excellent job in putting this panel together! Our District Attorney ED MILLER is a real "Pro" in conducting a question and answer program. Superior Court JUDGE EARL MAAS, Municipal Court JUDGE ROBERT COONEY, SHERIFF JOHN DUFFY, and Police Chief WILLIAM KOLENDAR were the experts and they surely laid it on the line when answering the questions from our members. Time ran out before many of the members questions could be answered. If you are interested in having them back for another program let us know. This program certainly indicated our members interest in our Major Emphasis Program - "SAFEGUARD AGAINST CRIME". Remember - our ADM. ED MILLER, chairman of this committee needs all of you to participate in this program to make it a success. Ask him what you can do to help! It is very urgent that we all help and support all of our law enforcement agencies!

Our member DON DAVENPORT, Merchandising Manager, San Diego Periodical, is looking for more space. He operates out of 80,000 square feet now and needs to go to over 100,000 square feet... SOME GROWTH...

OVERHEARD:

GRIFF HAYES says that God made so many perfect heads, the rest he covered with hair...

JACK MILLER says the storks are lucky. they never have to make pick ups - only deliveries...

FRANK LOWE - If the shoe fits, it's out of style...

BERNIE BIERI - Cosmetics are a woman's way of keeping a man from reading between the lines...

BILL STURGEON - With the price of everything going up - writing paper remains stationery...

LEE BELLWOOD - When in doubt delegate...

If you were born between January 19 and February 17 - you are restless, indolent, economical, pleasing and agreeable. Your greatest fault "Procrastination"!

PREZ HARRY is in Florida this week - so our 1st Vice Prez BOB KLAIBER will preside at Tuesday's luncheon meeting. Let's give him a big welcome - not - the kind that will keep his knees knocking.....

SEE YOU ALL TUESDAY FELLAS...
