HAVE YOU MAILED YOUR PLEDGE FOR THE FOUNDATION TO THE KIWANIS OFFICE YET???

"WATCHBIRD"

ANOTHER PATCH FOR OUR BANNER FELLAS!

Our PAST PREZ TED'S Achievement report for last year (this report lists all of the activities the Club has accomplished for the year) received Honorable Mention in the Multiple Service of the Diamond Section of the California-Nevada-Hawaii District. This is something you can all be proud of... There are over 350 Clubs competing with one winner and 2 Honorable Mentions. CONGRATULATIONS PREZ TED - WE ARE PROUD OF YOU...

DICK JOHNSTON was Chairman of the Day last Tuesday with JANET EVENSON, one of his Department Managers - and a very pretty one - as our very excellent speaker. After hearing so many of the members greet Dick with "HI 'HOT LIPS'" Janet asked our SECRETARY if it was true that he had 'Hot Lips' - since she has worked with him for many years this really was a surprise to her. After Dick introduced Janet - she now knows he has "Hot Lips".

BILL CORBETT and his KEY CLUBBERS were all smiles after totaling up the cash for the car wash tickets! \$73 fellas - and they all say THANKS! It is heart warming to see the support you give our Key Clubbers! There is one place we can give them more help - and it will help you too (and give you an official make-up) attend one of THEIR MEETINGS... ask BILL CORBETT.

BOB LELAVAL says that old doctors never die - they just lose their patients...

FOUNDATION PREZ DON OSGOOD says that when it comes to giving some people

stop at nothing...

HANK MONROE says middle age is when you know all the answers and nobody asks the questions.

MILT CHEVERTON says a womans girdle is like an insurance policy - it's difficult to determine exactly whats covered.

DON COMFORT had 16 members of his Pillars Committee meet last Tuesday. Lots of planning... We will have another great Pillars series... Mark your calendar now... April 12, 19, 26, and May 3! LAVINA MORRISON was there representing our KIWANI-ANNES... It is a real pleasure to have good looking wives of our members on the Pillars Committee...

CONNIE was tops as our weather man... now I predict from Feb. 1 to 3, unsettled spell - rain in Texas-light snow in Colorado & Utah - pleasant in the west. Watch it fellas - if it doesn't turn out this way - I promise you the Watchbird will leave the weather alone! (The writer for the Watchbird can promise you that regardless of the weather - he will leave it alone forever after this!)
