"WATCHBIRD"

Another great program brought to us by the San Diego Trust & Savings Bank! What an inspiration our speaker "'Big Gentle Bear' CHRIS CHRISTIANSON" was. His love of people and great sense of humor made our day a lot brighter and left us with basic truths of what living is really all about.

PAST PREZ CONNIE, Chairman of the Day, had several of the bank's officers as his guests. Rotarian FIELDER LUTES was so impressed that he donated \$25 to our Foundation - after - PREZ HARRY brought to his attention that although advertising San Diego Trust at our Club meetings was important - it was definately not free.....

THE NEW ROSTERS WILL BE HERE SOON...

RAY HORN says that people who flatter are the nicest kind - they tell us exactly what we have in mind...

DARRELL PERIUS said that we fought and won our liberty when Britain tried to tax our tea - and now that we possess that right - we're taxing everything in sight.....

STEVE WITTMAN told us he saw a sign over the front door of a home - "For sale - set of encyclopedias - never used - teen age son knows everything!"

Several members have not been able to reach the office by phone because of busy signals. We have the only Kiwanis phone listing in the area - so - when the public wants to know where there is a Kiwanis paper bin, or to inform us very irately that one is overflowing - or is the circus Kiwanis is sponsoring

legitimate and we DO NOT appreciate being solicited for tickets (we found out a week after the calls began Colorado Club is sponsoring this) - when is your next pancake breakfast - we are visiting and need to know when and where the Clubs meet - we want to rent your hall - what do you charge for catering meals - we need a list of all the program chairman in the county, our man is running for office - I'm on welfare and have to move and I want a truck and men here in the morning to move me - my boy needs a new scout uniform, he outgrew his - when will you deliver the free food, I hope you have turkeys this year - (from Sept. thru Dec.) are there any apples left and how do I get them... A lot of people think we are a nightclub and call for reservations and ask who is playing! WE KNOW EVERYTHING - WE ARE NOT VISITING- AND WE ARE NOT GETTING OUT WORK DONE... PREZ HARRY AND YOUR CLUB BOARD ARE WORKING ON THE PROBLEM - any ideas? but not over the phone...
