LADIES DAY

SPECIAL ENTERTAINMENT

CANADA-UNITED STATES GOODWILL WEEK

Speaker:

LESLIE C. BLACKBURN, President
Blackburn Ltd., Calgary

Topic:

"LEADERSHIP"

Chairman of the Day: RAY HORN

Invocation by: DEREK ASHTON

"OUR SPEAKER"

LESLIE (LES) C. BLACKBURN, President, Blackburn Ltd., Calgary (mainly real estate developers).

Mr. Blackburn is Past Governor of Kiwanis International "Western Canada" District.

He is President Elect of the world famous annual "Calgary Stampede".

A businessman with wide Canadian interests (also the owner of TV and radio stations) who spends much of the winter months in San Diego.

=====
In 1921 Kiwanis International passed the resolution to request Canada to set apart a day to be termed, "United States Day" and the United States a day to be termed, "Canadian Day". The following year at the Toronto Convention, Kiwanis International made the following report:

"Probably the program of greatest public significance was the observance of "Canadian-United States Days" in accordance with a resolution passed at the Cleveland convention. The period of the observance was set by the Rush-Bagot Agreement, concluded in April 1817, considered probably the most significant historic event from the standpoint of relations between the two countries because it determined the practical disarmament of the Great Lakes and the unfortified border between the two countries. The values in international good will and friendship are inestimable. Nothing that Kiwanis ever did has received greater public recognition and commendation."

Bring your wife and friends - this will be an interesting - fun - program...

"WATCHBIRD"

RON RIRIE makes an impressive appearance as he stands beside his Volkswagon using a 'brown shoe lace' string to fish his keys from inside his locked car. DON COMFORT, seeing him in this uncomfortable situation, went to the door of a nearby apartment - borrowed a coat hanger and showed RON how to open a locked Volkswagon... DON is a pro at this - while RON? - a wishful thinker using a shoe lace to retrieve keys from inside a locked car!
