WOW! What an outstanding meeting RAY HORN and his INTERNATIONAL RELATIONS COMMITTEE planned for us last Tuesday... celebrating Kiwanis International's CANADA-U.S. Goodwill week! Over 100 visiting Canadians (husbands & wives) joined us for the meeting. Roses for the Canadian Ladies, Canadian Flags at the head table, drums, and - the Scottish BAGPIPPER who led the head table guests around the room, the Royal Canadian Mounty, our new Canadian "Visitor Member"; MAURIE GLADMAN, President Elect, Kiwanis International; RIP REOPELLE, our Lt. Gov.; LEE HUBBARD, our Vice Mayor MRS. HOLOR, who led us in the Canadian National Anthem; and so many others - who honored us with their presence. And - our speaker, LESLIE C. BLACKBURN from Calgary was outstanding! His message on Kiwanis Leadership in our two countries was a wonderful challenge to our continued good relations.

RAY HORN gave the meeting a warm professional touch as Chairman of the Day... and JOE MADDOCKS had every detail down on paper - planned to the minute... There is no doubt that Canadians and Americans are friends! And even I was impressed with the number of our members who have visited Canada!

CAPT. FRANK SHEMANSKI informed us that the Canadian Armed Forces were the best paid military men and women in the world today! FRANK will be leaving us soon... Washington duty is his next stop. We will miss you Frank...

JACK TEMPLETON gave our Club another

PLUS in the community! He planned put on the program for another Naturalization Ceremony... JACK has been doing this for over 3 years and he needs someone to take over for him! Come on fellas - talk to Jack or call the office if you are willing... We host 2 programs a year.

DAN McPHERSON'S Inter-Club to Indio was a great success... ALEX BROWN, WILLIE COATES, JIM DALBY, KEN KIMBALL, JOE MADDOCKS, FRANK NICOL and PAUL PULLIAM went to Indio with DAN. They were treated ROYALLY. Touring the farms in the area; being 'orchard raiders', picking grapefruit and lemons; went through the Sun World date processing and packaging plant, (bringing home those goodies); and toured the Peter Rabbit carrot processing and packaging plant. It sounds like a wonderful time was had by all. Wish I could have been with them...

DAL WIDICK says he can remember when T shirts were underwear - now they are like 'bumper stickers' for humans...

ED GOETZ said that on one of his jobs an electronics van had a bumper sticker which read - "LET US REMOVE YOUR SHORTS"!

BOB KLAIBER says that to be wronged is nothing - unless you continue to remember it!

A couple of our KIWANI-ANNES were looking through our roster - reached the top of page 25 and said "Wow! What a good looking man!" Check it out... BILL CORBETT is really a very handsome man!

See you all TUESDAY, MARCH 22 - 12 NOON - IN THE CARIBBEAN ROOM....

NO MEETING TUESDAY, MARCH 15.....
