"LADIES DAY"

Topic:

KIWANIS FOUNDATION
ANNUAL MEETING

Speaker:

"VARIOUS"

Chairman of the Day: JACK TEMPLETON

Invocation by: MATTY MATTHEWS

LADIES DAY

"ABOUT OUR SPEAKER"

Last year, JACK TEMPLETON perpetrated a hoax on our Club as the Chairman of the Day. He lured everyone to a meeting by falsely advertising a sensuous program and then telling us about the Kiwanis Foundation.

This year, your Board has ordered him to tell it like it is. You can come prepared for a real Foundation Meeting.

You can expect to be presented a truly stimulating package of facts, figures, and detailed statistics enumerating the many wonderful things your Foundation has been doing with your money during the last year. Come prepared to listen very intently so not to miss a single bit of information.

(Note: note-taking or tape recording is encouraged; however, leaving early, light dozing, mild grumbling, etc., will not be tolerated.)

For those who don't know, JACK is the Chief Deputy Assessor to our own lovable CHUCK WILLIAMS, the bearer of annual happy tidings to all lucky homeowners.

All of this really doesn't qualify Jack to do much of anything, but frankly, we couldn't find anyone else to run this meeting.

Jack's latest book, "Federal, State, and Local Taxes or Governments' Massage Parlor for the Public" is a current best seller in Del Mar.....

WATCHBIRD:

What a great Kiwanis Day - filled with a series of high-lights!

Our Club's highest honor - the "Community Builders" award presented to WILLIAM E. QUIRK for his years of community leadership and participation in our Kiwanis Club... He is the ideal representative of our International Theme "WE BUILD"!

PREZ TED made an impressive presentation - and - what great courage BILL showed in his response... You sum it all up in three words 'a great man'.

It was also a tribute to Bill that all his former associated, in the leadership of the Telephone Co., headed by Hughes Bell, attended with their wives and husbands.

CLAYTON BRACE, Gen. Mgr, Channel 10, was present to see Bill Quirk honored - also his associated PAST PREZ LEE BELLWOOD again honored for his leadership of our Club for receiving the highest honor awarded from Kiwanis International as its outstanding Club for community service in 1974-'75 - this in competition with some 4,000 Kiwanis Clubs world wide!

PREZ TED AND FRANCIS DIXON gave a great year from their lives to our Club - TED with his warm, friendly, sincere leadership and merry jokes! What a great husband and wife team! Rose said it all when she said FRANCIS DIXON is a BEAUTIFUL LADY!

TED'S farewell as our President was sentimental - YOU gave to US TED, friendship, understanding, patience, everyting a great leader is - and it is truly appreciated.

What a tribute to our new Prez HARRY FRELS when leading members of the Hollywood Kiwanis Club (Harry was a former member) drove all the way here for his induction. You don't suppose it was to compliment our Club for getting him away from theirs???

PAST INTERNATIONAL PRESIDENT "HI" HEIMBAUGH (a member of the Hollywood Club) did a superb job of de-installing LEE & TED, and installing HARRY FRELS, BOB KLAIBER, ELLIS BENSON & JUNIOR TODD. He made us all proud when he said "Whithout question the Kiwanis Club of San Diego was the greated Club in all Kiwanis International"!

What makes it that way - our Club membership - all outstanding community leaders - successful business and professional men of our city - all working together to make our world a little better.

Our new LT. GOVERNOR "RIP" REOPELLE and his lovely wife CAROLYN - Rip gave the invocation. Very fine people who will give our Division 11 strong leadership! and

To our lovely leaders of KIWANI-ANNES - Immediate Past President LAVINA MORRISON - thanks for being so gracious when doing all the favors we asked of you this past year - and to your guy DAVE! and WELCOME to our new President of Kiwani-Annes JUNE FRANCH and her guy ARD! You will be hearing from us very soon.....

A great start on a new year for all KIWANIANS TO "LEAD THE WAY"!
