"WATCH BIRD"

REV. DAVE GALLOP is sporting a new hair piece. It took several years off his age. He looks a great deal like a high school graduate... Nothing like starting life over.....

DENNIS NELSON is back again from his long stint in Naval Hospital. (Got a new hip joint...) His favorite cigar was wafting smoke skyward from the East wall table. It's good to have you back Dennis

Changes are in the air. Petitions were out for signatures by TOM PRENDERGAST, owner of Gallery Florist - on hearings on the "Dolphin" issue. Question: What have flowers got to do with dolphins? and

WARREN MOOERS with his petition on wine drinkers in Horton Plaza, skid row. Sure hope something happens so drunks will not bother citizens in the down town area.

Welcome to our new members: CAPT. JOHN "SANDY" SANDROCK, USN and CAPT. ROBERT "BOB" MARION, USN, ret.. BOB is another 'cigar' smoker. We could put the following at one table: ED MILLER, BOB MARION, JULE FINK, ED MILLER - are there 4 more of you out there???

A great many of our Club members are excited by the coming Nov. 30 tribute to JACK MURPHY, Sports

Editor of the San Diego Union, in celebration of his 25 years with the San Diego Union. If any of our members wish further information call Secretary Todd at our office. 233-0257. An expected crowd of 1,000 is expected!

As for our birthday cards - the following answer was received from Gen. Mac McLaughlin when he received his:

"Your thoughtful remembrance of my age was great,
Even though it has occurred to me of late,
That the milestones of fate would be kinder,
Were it not for the notes of reminder!
However, it is not my intention to reclama,
For there's no way to forestall the drama,
As I have no faith in rejuvenation,
I merely make a bid for extenuation!
Please don't consider that your good intentions
Are not received with respect for the conventions
But, be it said for repetitions of the onerous date,
That your kind felicitations
I do not anxiously await!

Best regards,
Mac McLaughlin
