"GOVERNMENT REGULATION  
of the  
FREE ENTERPRISE SYSTEM"

Speaker:

ROGER J. FROCK  
Sr. V.P. & Gen. Mgr., Western Div.  
Federal Express Corporation

Chairman of the Day: WARREN MOORES

Invocation by: BOB MARION

OUR SPEAKER

ROGER J. FROCK is one of the founders of Federal Express, having been associated with the company since it's early beginning in 1971. He conducted the initial Marketing and Economic Feasibility Studies in 1972 and was responsible for all direct line operations during start up of the concept in 1972 and 1973.

Prior to joining Federal Express, he spent 12 years as a principal with A. T. Kearney, management consultants in Chicago and New York City. During his career in consulting, he conducted numerous studies for many of the nation's leading motor carriers, shipping lines, railroads and airlines, as well as studies to improve distribution patterns for major industrial corporations.

He currently is a Senior Vice President of Federal Express with overall responsibility for operating the Western Division.

Mr. Frock is a graduate of the University of Michigan with a Bachelor's Degree in Industrial Engineering and a Master's Degree in Business Administration.

In just 3 years he has seen Federal Express, which specializes in overnite, door-todoor transportation of small packages, grow to where it expects its revenues this year to exceed \$100 million. The first night three years ago it carried 15 packages; now it carries roughly 19,000 packages each night.

Mr. Frock has a story to tell that you will all be interested in.

"WATCHBIRD"

ROTARY gave us a lesson in our annual golf match. PREZ HARRY will deliver the trophy for this battle sitting at the ROTARY'S head table dressed in sack cloth - as they rib our Clubs futile attempts to defeat them..... If we could ever get our "Big Hit" ANDY BORTHWICK to play with our team a victory might come our way - after all - Andy is this years National Seniors Champion and also California Champion - in his age bracket.....

Our six past presidents who missed Past Presidents Day honored us by sitting at the Birthday Table... When ED SCOTT got up to give a travelogue on each of them they thought they were going to be insulted and all of them followed "Whispering" GEORGE PALMER out of the room.....(trouble-maker!). But - upon hearing the praise Ed was giving each of them they returned to bask in the limelight! Their reasons for being absent were interesting - JULE FINK & GEORGE PALMER had bought a cut-rate tour package to Switzerland, Germany, etc., CONNIE KARABERIS to ENGLAND, SCOTLAND (it was rumored that he avoided ANDY BORTHWICK'S family castle - the antique shop is selling Borthwick's golf trophies but export & import duties are to high), FRED HAGE toured the New England states and sent Rotary make-ups back to the office (a real phoney deal), BOB BOLLUM had a golf date with the Chairman of the Nominating Committee of the Convention and Visitors Bureau (later Bob became Vice President!), WALT ZITLAU has been so many places

he forgot just where he was.....but promises not to miss next years meeting! AND they all responded very graciously when PREZ HARRY gave them the privilege of donating to the fine boxes.....

DENNIS NELSON was the only legitimate member at the Birthday table! Last year he was the only one there also... so... JR. TODD had PREZ TED auction his cake off..... This year DENNIS got it by paying \$2.99? for it..... Guess you can't win DENNIS.....

It was good to note the elder statesmen of our Club defeating the Key Club in softball??? JIM HURRY 4 hits??? 29 hits for the Key Club - 28 hits for our members... Who was the "official" score keeper? and - we still haven't heard from the KEY CLUBBERS!!!
