TUESDAY'S PROGRAM

"CAVALCADE OF PRESIDENTS"

The program gives an insight of the 37 men who have held our Nation's highest office. It features an unusual set of portraits converted to the screen specially for this presentation. Along with the pictures are sounds relevant to the term of office of our Presidents including actual recordings of their voices dating back to Grover Cleveland in 1892.

Do you know:

Which President had a patent issued in his name?

Who was President for one month?  
One day?

Which President had a saloon license?

What was the issue that caused the House of Representatives to vote to impeach President Johnson?

These and other scientific, industrial and political events associated with our Presidents are brought to life in this multi-media presentation.

THE SPEAKER

J. C. MAYER, Special Project Coordinator, Pacific Telephone.

Mr. Mayer has 30 years experience with Pacific Telephone in Marketing and Public Relations. He currently coordinates special projects involving new services and service changes in the Sector.

LADIES DAY

Tuesday, December 21 - 12:00 Noon

"WATCHBIRD"

Our dependable, exuberant JIM HURRY did a great job as fine master... even tried to double up the collectors!

He got \$50 each from RAY HORN and KEN KIMBALL...

RAY has been traveling around the country talking to Rotarians, Lions, (you name them - he's been there) about tax know-how and advise... and

KEN is visiting JAPAN as a guest of ROTARY. (He qualified for the trip because he is under 35 years of age!) It's really a change of electricity - or exchange with the Japanese.....

and - next week - all members over the age of 35 will pay tribute to our Foundation for not being able to qualify for the trip.....

CLIF BAXTER (one of our newer members) presented us with a plaque of appreciation from the Aztec Club for your Foundation's sponsorship of a scholarship for an outstanding athlete! And this young man is very outstanding - he is way above average in the qualification set by our Scholarship Committee.

PAST PREZ DOUG GIDDINGS was smooth as always - as Chairman of the Day he really appreciated having not only the questions - but - also the answers typed out for him on his agenda.... and thoroughly enjoyed the confusion when he gave the participants answers before they could! No wonder the Labor Department has listed him as a CONGLOMERATE.....

then there was the man who came home from a days fishing displaying his

catch - a plasticized card plugging a local fish market... A scuba diver had attached it to his line.

LAWRIE CARR is back on jury duty - in the Federal Court. He is a Past Foreman of the County Grand Jury... and it is rumored that he is earning the title of professional in the jury ranks!

It seems that GRIFF HAYES has amassed \$1 million in premium receipts this year!!! (Should be good for \$100???) His colleagues honored him with a surprise dinner - escorted him in the East door of the Grant Grill - out the West door - across Broadway - and lined up at McDonald's for Big Macs...

DICK NELEPOVITZ is the new Chairman of our Public & Business Affairs Committee. He can use your help and ideas fellas.....

LADIES DAY coming up fellas... Tuesday, December 21 - we have a special program planned - invite her today!

ADM. ED MILLER, Chairman of our Major Emphasis Committee asks that you all READ the "SAFEGUARD AGAINST CRIME" pamphlet you received. This program needs everyone's cooperation and to do that you all have to know what is being planned...

Plan on picking up YOUR APPLES Tuesday, December 14 after the regular meeting. They will be at the BEECH STREET entrance of the hotel (side entrance to the Caribbean Room). and - it would be great if you have your check ready to pay for them at the same time.....

SEE YOU ALL TUESDAY, DECEMBER 14.....
