## PREZ SEZ

*With this second issue of our Tidings in the new format, recognition must be given to those who made this change possible. ROSE McKINLAY's many talents make this difficult weekly procedure happen; creating interesting words in the right format, along with the many mechanical steps required to get them into the U. S. mail system, requires great efforts. Rose is a valuable asset to Club operations. We say "thank you", Rose, for all your fine work.*

*JUAN HERNANDEZ (Acme Graphixs) did the original art work and the finished product. A highly professional and quality job, Juan!*

*Club V.P. for Programs, BOB SHUMAKE (Pacific Outdoor Adv.), started the new year by attracting another super program, Dennis Conner, the America's Cup champion, with a fascinating presentation explaining "how it was done". Men matching their wits with the elements of wind, sea, along with the manipulation of an inanimate object could have no greater challenges. Total dedication, concentration, and perseverance were all flawlessly combined for this great achievement.*

*Rose and Club Treasurer BILL WINTERBOURNE are efficiently arranging all of the necessary records of our annual MEMBERSHIP RENEWAL program. For those that have committed themselves (by returning their forms), we are most appreciative. This is the first week of October; the new Club year is underway. Our own Club sailing ship needs all hands and sails to complete the 1980-81 journey. This is the crucial month. Don't be left ashore. Your participation is important to all of us.*

## TABLE TALK

.....VERN GEORGE was the speaker at East San Diego Kiwanis September 25th. He spoke on "Inflation and Taxes - What to do About It". Glad somebody knows.

"The easiest way to figure the cost of living is to take your income & add 10%."

.....KEN MILES honored us by a visit - two weeks in a row.

.....DAL WIDICK also attended. Good to have you both with us.

CONSIDER how hard it is to change yourself and you'll understand what little chance you have of trying to change others.

JACOB M. BRAUDE

"WOOPS - we goofed again. MO PEELE has been promoted to: COMMANDER, Naval Training Center!"

IGNORANCE is not the problem. It is not knowing when we are ignorant that causes the difficulty.

.....Things are right with our Club again! JUNIOR TODD is back in the office part time - and looks great...

AND.....BOB JUSTUS attended the meeting last Tuesday... He told us he is planning on attending the next 51 meetings for the year! You are GREAT Bob! It is very special for us all having you with us again... With the battle you are winning, ours seem small. WELCOME BACK!

*When you talk you can only say something that you already know. When you listen you may learn what someone else knows.*

Editors note: I expect yoy fellas to fill two columns next week!

Would you be willing to offer a brief tour of your Business to our Key Club members?

Please contact STEVE NEPTUNE, Key Club Chairman, at 231-2185.
