SAN DIEGO KIWANIS CLUB

TUESDAY AT NOON

October 21, 1980

SCOTTISH RITE CENTER, SAN DIEGO, CALIFORNIA

SPEAKER:

FRED A. W. (Bill) FRANKE
Captain, USN, retired
President, Imperial Aviation, Inc.

PROGRAM:

"AMERICA - TODAY and TOMORROW"

CHAIRMAN OF THE DAY:

CAPTAIN MORRIS (Mo) A. PEELLE, USN
Commander, Naval Training Center

INVOCATION BY:

CAPT. WILLIAM (Bill) E. CROSSON, USN
C. O., Navy Public Works Center

THE PROGRAM

Captain FRED A. W. (Bill) FRANKE, USN, retired, is a former P.O.W. of the Vietnam war who spent 7½ years in the hands of the enemy.

He is an inspiring speaker who should be heard by every red-blooded American. The theme of his speech, "America - Today and Tomorrow", is a galvanizing presentation which brings the past, present & future into a clear perspective.

At the time that tragedy struck, Bill was Commanding Officer of VF-21 flying the F-4 Phantoms. His squadron was stationed aboard the USS Midway and he amassed a total of 178 missions against the enemy.

Since his retirement three years ago, Bill has developed a thriving general aviation business which employs a fleet of 54 aircraft at the Orange County Airport.

He, in addition to his many speaking engagements, has found time to serve as President of Tail Hook Association.

The Frankes reside in Valley Center, northeast of Escondido.

PREZ SEZ

Those who have been asking for "different" programs must have had their wish come true...what other Club has a famous African hunter in their midst? (Why he had to hunt for Africa; he didn't say, it's been there all along!) But JIM HEWITT provided a stimulating half hour with fellow Tax Attorney JIM MARINOS, his cohort on the big hunt. Thanks, JIM, we enjoyed sharing the thrills of your experience. You didn't say why the lion attacked you. Do you think he knew you were a KIWANIAN?

What a thrill to see BOB JUSTICE among us again! His courage and strength, coming back from a devastating personal tragedy, is an epic story in itself. Keep it up, BOB, you are a most special person in this group.

October is a vital month for us. All Club committees begin their plans for another year of meaningful involvement in the San Diego community. We approach the next two months with major events scheduled: The K-annual Basketball Tournament, the HOLIDAY BOWL luncheon, the annual KIWANI-ANNE Christmas Party, Holiday SEE's Candy Sales, to mention a few. Each of us has a contribution to make of ourselves. Being a Kiwanian means doing good works where you live. Our Tuesday fellowships are wonderful experiences, but there is more. Each member should be deciding on where he will give of himself. Join a committee... offer your help...accept the responsibilities of involvement...you'll be glad you did!

TABLE TALK

.....Of all people, DICK HAUGH missed the unveiling of the Tijuana Trolley. And GORDY HURLBURT confessed to DICK some of his old high school escapades against Dick's 'old' trolley system.

.....SHERWOOD RITCHIE is pleased to announce that his sixteen year old daughter won her division in the Coronado-San Diego marathon on Sunday, October 12th.

.....ED MILLER says he talked LEILA DUNN, his neighbor, into the cruise in the ill-fated PRINSENDAM which burned, then sank in the Gulf of Alaska. When she returned he scolded her, "I know you are adventure-some but you didn't have to go that far!"

.....DUKE & JUDY FERRARA helped Judy's mother celebrate her 83rd birthday this week.

.....From SONNY STEVENSON: Two herrings stopped at a bar every night. One night when only one came in. The bartender said, "Where's your Buddy?" The herring answered, "How should I know, am I my brothers kipper?"

.....HARVEY HALL said that when he turned around to greet his neighbor (a new procedure instituted by PREZ JACK) he spoke to Kiwanians he hadn't seen for weeks!

.....RON MALEY and FRANK PRICE are departing Oct. 20th to participate in the Aloha Convention, Honolulu, of the Society of Former Special Agents of the FBI.

.....An authentic GREEK program is planned for Tuesday, October 28. Greek dancers, music, buffet, PLUS a raffle with a TV set, wine and other goodies to be given away. A very special fun day. Don't miss it.

.....FRITZ OSTENDORF, "super-piano" had to stand up playing his own "Happy Birthday".

SPECIAL NOTICE

We were all deeply saddened by the news of the tragic fires which dealt a devastating blow to the First Presbyterian Church and the Salvation Army's main building.

Our First V.P. PAUL PULLIAM, Pastor; and good member REG PEACOCK, have our sincere sympathy and hope for an early recovery for these terrible events.

PAUL and REG will be with us next Tuesday to let us know how we can help.

.....JOHN WOOD had his wife and secretary as his guests Tuesday and couldn't remember their names as he was introducing them. (Eds note: That's O.K., JOHN. Can't remember my own these days.)

.....JACK O'NEILL, who has been busy with planning duties in Chula Vista, broke away for a little play - and claims a 72 at Carlton Oaks. Jack & wife Bertha, are planning a trip to Tahiti next month.

Being a member of Kiwanis presumes 100% interest, and it follows that 100% attendance will be an indication of your commitment. Of course meetings will be missed. They can be made up either by attending another Kiwanis Club in the area at a convenient time or, even better, join three or more of your fellow members at one of BILL CORBETT's INTERCLUBS. His committee arranges these affairs, and they are fun...more fellowship and seeing Kiwanis in action with other groups (Bill's company: Moore Business Forms).
