THE PROGRAM

A PANEL OF EXPERTS

EUGENE F. BRUCKER, Assistant Superintendent, Student Services Division, San Diego Unified School District, earned his B.A. & M.A. from SDSU. Has been a teacher, counselor & Vice Principal; Principal at Taft & Mann; Director of Secondary Schools & Guidance. Past President of Teachers Association & Administrator's Association. Member of Assemblyman Hart's Task Force on Public Services. Member of the Association of California School Administrators & a member of the State Department Comprehensive Guidance Program.

CHRIS PARE, as Resource District Counselor, has spent the past seven years in the Guidance Department with the San Diego City Schools. Since 1976, she has been actively involved in developing and implementing counseling centers in over 50 of the district's 120 elementary schools.

STANLEY B. WILSON is currently the Principal at Oak Park Elementary School, with previous assignments as principal of Scripps, Torrey Pines and Silver Gate Elementary Schools.

MRS. JUDY CHURCHILL, the mother of three children (3rd, 5th & 7th graders) will present a parent's thoughts on Oak Park's counseling center as it relates to integration, busing and her children.

JULIA J. CROOM, currently a kindergarten teacher at Dailard Elementary School, has also taught first and second grades. In addition, she has been a demonstration teacher and a district resource teacher.

This panel will tell us a heart warming success story about a program in our San Diego Elementary Schools which is giving these young children a confidence and pride in themselves that will help them cope with problems throughout their lives.

PREZ SEZ

ED MEESE ON THE ADVOCATES

Club member Ed, presidential candidate Ronald Reagan's Chief of Staff, stood up for his boss's leadership qualities in the KPBS program the "Advocates" on Monday. He did a superior job in a highly charged atmosphere. The candidate was no doubt proud of Ed's performance.

KIWANI-ANNES PLAN ANNUAL XMAS PARTY

The Kiwanis Christmas Party at the North Island Officers Club last year was a roaring success (ask anyone who was there). It is an annual affair. Before the Christmas "season" arrives, mark Friday, December 12, as a must evening! A get-acquainted hour, delicious dinner, and Bernie Kaye's Dance Band make this the best party to attend. Tickets and reservations will be available in November.

KIWANIS CLUB BOARD OF DIRECTORS

The Club Board of Directors must contend with the malaise of inflation too. Holding the line on annual dues, luncheon costs, administration, etc., requires constant attention. Some battles are lost, but we are ahead in the war. In this first month of the Club year, most members have renewed their membership either early or on time. To the remainder, please do this now.

NEXT TUESDAY

There are two major events next Tuesday: No. 1 VOTE and No. 2 bring a prospective member to the meeting.

TABLE TALK

.....HARRY FRELS *says interest is building in the Holiday Bowl.*

November 4th is the kick-off date for the HOLIDAY BOWL SIGNATURE PAGE. This is the back cover page on our Holiday Bowl Luncheon Program. Please - bring your \$5.00 bills and sign your name!

.....BOB JUSTUS *hasn't missed a meeting of JACK TEMPLETON'S year to date...*

.....CONSERVATION & ENVIRONMENT COMMITTEE, (BOB AMON, Chairman) is conducting an evaluation review of all the tree plantings the last 20 years.

.....PAUL PULLIAM *is worried about Proposition "O". What church will he rent if it passes.*

REMEMBER TO VOTE NOVEMBER 4

.....BEN HAGAR *is busily involved in putting Explorer Scouting in San Diego High School under Kiwanis sponsorship. SDHS is BEN'S Alma Mater to which he commuted by streetcar every day...*

.....The ED BINGHAMS just returned from Hawaii where they celebrated their 43rd Anniversary.

.....JOHN WOOD *won a right hand glove for a left-handed golfer at the YMCA golf outing!*

IMAGINATION WAS given to man to compensate him for what he is not, a sense of humor to compensate him for what he is.

.....PREZ JACK -- what is the East end of a round table?

.....FRANK NICOL'S son *is working on the prototype LEAR FAN which will weigh roughly 40% less than present day aircraft. If it works, the fuel savings are obvious.*

EINSTEIN was once asked how he worked. "I grope," was his reply.

.....CONNIE KARABERIS *strained something swimming the Nile in Egypt, we are told. Going into Balboa Hospital for surgery.*

.....CONNIE'S lawn is chewed up by "wild" cats. ED MILLER solves this problem with a non-lethal airgun pellet right on the you-know-what at 20 paces... The cats do not come back!

.....VERN GEORGE *enjoyed an all-expense paid trip to Monterey. After such luxury it's hard to get back to work.*

.....ED SCOTT was just elected to the Board of Directors (for the 11th time) for the Silver King Mine, Ely, Nevada.

DEMOCRACY is the worst system ever invented — except for all the rest.

WINSTON CHURCHILL

.....VERN ALBERT, *wealthy world traveler is off to Maui, followed a bit later to Florida.*

.....In case you missed it - our Greek God Prez's new name is IAKOVOS TEMPOPOPOLIS.

REMEMBER TO VOTE NOVEMBER 4
