HOW ARE OUR CANDY SALES PROGRESSING???.RON MUNROE, Architect, recently asked the authorities at the Air Force Academy why there are 17 spires on the famous chapel? OUR KEY CLUBBERS NEED HELP!

Members of our Key Club are currently involved in 'PROJECT UGANDA'. When Idi Amin left he made sure everything of value left with him - leaving the country destitute and industry dead. There is no merchandise available (even the bare necessities) and no money.

Our Key Club is collecting clothing, blankets, sewing materials (fabric, thread, needles, sissors, buttons, etc.), small first aid items, and books. Please Fellas, ASK THAT FIRST LADY OF YOURS TO CHECK THE CLOSETS, GARAGE, ETC. for any item she thinks could be used - and bring them to the "K" office the next time you come to a meeting, or are passing by.

They are planning a car wash to raise the money for shipping charges. BUT - they need to find a location (hopefully large enough to hold 3 or 4 cars at a time - and water is a must). DO YOU KNOW OF A PLACE? Call the "K" office (295-2137) if you do.

Key Club Committee

Stoddard H. Martin

1905 - 1980

Our "STOD" Martin has left us for his rightful place in heaven. A kind, good, sincere, dedicated person -- loved and admired by all that knew him.

Our deepest sympathy and prayers for courage are given to Nancy and family.

PAST WISDOM PROVES ACCURATE

Two years ago, the Directors of the Club made a very difficult decision: to move to our present location. While we are considered to be the 'downtown' Kiwanis Club, the facts were that there was not a place that would provide weekly meeting stability anywhere in the 'downtown' area. STOD MARTIN built our office as it is today, putting in walls, cubboards, shelves, carpeting, doors, etc., and donated everything to our Club. STOD gave us our 'uptown' office in the Valley and it will be appreciated forever.

We now wish every success to Rotary and Lions in finding a new home soon.
