The best way to forget your own problems is to help others solve theirs.

THE PROGRAM

PAUL C. BARKLEY, President and Chief Operating Officer, PSA; joined PSA in 1967 as Vice President of Finance. He is a member of the Board of Directors of both PSA, Inc. and Pacific Southwest Airlines.

Mr. Barkley earned his bachelor of Science degree in Business Administration and Accounting from San Diego State U.. Prior to joining PSA, he was with Arthur Young & Co., International CPA firms located in Los Angeles and San Diego.

He holds membership in the California Society of CPA's, American Institute of CPA's, and the National Association of Accountants.

Paul served as Treasurer and Director of the San Diego Aerospace Museum from 1967 to 1976. He is presently serving on the Board of Directors of United Way, San Diego County; and is a member of the Advisory Council for the Dean of College of Business Administration.

This will be a very interesting program on airline 'deregulation'.

PREZ SEZ

Why Kiwanis..?

How many times have you wondered why we belong to a community Service Club? Is it really worth it?

At some time in our elementary years, we may have heard the saying, "You get out of life what you put in". Each life, being like a bank account, requiring deposits in order that withdrawals can be made. We in Kiwanis have that opportunity. The San Diego community is the account. This Club has been in 'business' for over 60 years. Vast amounts of member funds and hours have voluntarily passed through. The dividends of satisfaction and achievement have been paid with regularity.

What kind of men are members? They are those who are successful, not only in their professions, but as individuals. Several have had 'active' accounts for over 30 & 40 years! Two fine men, with prominent, admirable careers behind them, attend every meeting confined to their wheelchairs.

Each Tuesday, ask yourself, "Am I so busy that I can not plan a lunch break and program with my fellow Kiwanis members?"

The Kiwanis Community Bank may not be for everyone. Only those men who seek to put something IN to the place where they live. Kiwanis offers this chance, plus the experience of fellowship with others, like you, who care enough to give of themselves.

TABLE TALK

KEN ODEN'S daughter and son-in-law are touring Europe. Sent him 25 rolls of film to process. Cost him \$322.99...!! ...ROGER CONLEE'S 12 year old son was asked (as Amy Carter was) "What is the most significant problem in the world today?" His answer, "The quality of my school lunches...!" ROGER prepares them! ...COL. ED CAREY, USAF, ret., President Emeritus and Executive Director, International Aerospace Hall of Fame, was a guest of BILL GIBBS recently The success of IAHF and the Aerospace Museum is, to a large degree, the result of ED'S vision and devotion. These two organizations are housed in the Balboa Park's old "Ford" building. They deserve our support.JUNIOR TODD says he is "vacant" what ever that means.... MOON CHAPPLE loaned his wife, MARY, to SHERWOOD RITCHEE for the Mixed Doubles Tennis Championship in Coronado. They won handily and MOON is very proud!! ...DEE ROGERS on his endless losing war with ground squirrels -- His daughter put up a sign near the garden "Squirrels keep out!" Hasn't had a squirrel in five months.From WILLIE COATES: "Three pregnant squaws went to visit their medicine man. One he placed on a hippopotamus hide; the other two on buffalo hides. The one on the hippopotamus hide gave birth to twins and the other two had singles. All this goes to prove that the squaw of the hippopotamus is equal to the sum of the squaws of the other two hides." WILLIE and EVELYNNE are going to Colorado Springs for Christmas and Willie is shopping for warm underwear... MOON CHAPPLE says he has a hatch-back union suit he will loan him.!

After those two contributions WILLIE - we think you deserve a vacation...!!

The Eagle Scout Recognition Dinner held earlier this month was well represented by our members with: LEE BELLWOOD, DICK SHAW, CLARK GEORGE, PAUL PULLIAM, ED MILLER (D.A.), JOHN BECK, BRUTE KRULAK, JULE FINK, SWEDE EKSTROM, and JOHN BECK present. JOHN ACKERMAN was the Eagle Scout Honoree.

NEWS ITEMS, SUGGESTIONS, ETC.

At meetings, we ask for members to jot down comments about themselves for our "Table Talk" section. While this may compare with the prospect of tooth extraction, it does provide content for our Tidings. Good, interesting tid-bits. We constantly ask for suggestions and ideas. They are needed. Tellittous.

If you would like to be a "Tidings Sponsor leave your card in the "K" office.
