TIDINGS

KIWANIS CLUB OF SAN DIEGO

THE PROGRAM

.....MARIE BURKE LIA

Ms. Lia came to San Diego after having served for 9 years as a deputy city attorney in the San Francisco Attorney's office. She knew she wanted to continue working in the field of municipal law and then unexpectedly found a path that led her to a thriving one-of-a-kind San Diego law practice. A practice that is related to historic properties.

Ms. Lia is a sole practitioner and since coming to San Diego in July 1980 she has accumulated an impressive list of clients. For instance while an intern for the Historical Resources Board she advised the City's mayor, council, manager and planning commission on issues related to the identification, protection, retention and preservation of historic sites in the city of San Diego. Among one of her first endeavors was advising the city on the development of its historic Gaslamp District .
