**LAURELS FOR LEADERS  
2005**

**The weather made it a real iffy proposition, but you know what, our event must have been the "thing to do" last Tuesday, 'cuz hardly a soul failed to show.**

**We had 90 schools scheduled to participate; that is an ASB president, with school officials from each and parents and family of each student and then there were the sponsors and all the county, and private and parochial school leaders. There were leaders of our military and Judges and just about one of the best motivating and tell-it-like-it-is speakers we have had in a long time. There were almost 500 of us there and if you weren't you missed out.**

"If somebody has a bad heart, they can plug this jack in at night as they go to bed and it will monitor their heart throughout the night. And the next morning, when they wake up dead, there'll be a record.
