NOTES FROM THE 6/14 MEETING & OTHER STUFF...

In the absence of the current officers, past president Stephen All presided over the meeting. Doug Frost had business commitments, First vice prez Tom Bauer was working at the bone marrow drive and second VP Drue Jordan was scheduled to introduce our speaker, Mike Aguirre. Steve was in rare form issuing fine for various infractions, real or imagined.

Rob Shaughnessy introduced Jeffery Mihalik and presented Jeffery with a \$600 check from the Environment and Conservation Committee budget. Jeffery is working on his Eagle Scout rating and the funds are to provide materials for Jeffery's project of providing benches in Mission Trails Park.

Our attendance was reduced at the meeting because many of our members were at the USS Midway museum working on our bone marrow registration drive. The photo page on this web site will soon be updated with pictures from the bone marrow drive.

Mark Neville is shown here holding Sawyer Leestna, the child that Mark donated bone marrow to when Sawyer was less than one year old.

We had no floral arrangement from Flowers by Coley this week but that didn't deter Bill Gibbs from bidding \$50 anyway.
