NOTES FROM THE 8/2 MEETING &

OTHER STUFF...

The meeting opened with the invocation by Stephen All, followed our Patriotic Song and Pledge led by Girls Scouts brought by our speaker JoDee Jacob

Prez Doug announced that Jim Floros has delayed this month's Foundation Board meeting until Thursday August 25. Our prez then pointed out that Jim had been in a full page ad in a recent issue of Time magazine, and suggested that a fine was in order. With a appearance in a national magazine it would seem that the fine could be repeated as frequently as Bruce Boland's fine for the article in the Union-Tribune regarding his 50th anniversary.

John irons introduced Cdr Robert Hickey from, executive officer of the Southwest Regional Maintenance Center at 32nd street. Cdr Hickey in turn introduced Legalman Josephine Williams at their Sailor of the year out of the 2100 sailors at SWRMC.

We were visited by Dave McClurg, the incoming Division 11 Lt Gov. Welcome Dave, visit us often during your year.

Charlie Coleman told us something about the growth of Kiwanis in the Division 11 but nobody understood what he said.

Judy Leitner said she now has 6 items for the Silent Auction at our 85th anniversary affair. She needs a mere 79 more to reach her goal of 85. The most recent addition is a Marilyn Monroe telephone which was a treasured possession of Tim O'Reilly. Tim reports that with a call the telephone sings and Marilyn's skirt is blown up to resemble the classic photo.

A slight correction regarding rates for those who want to say at the Bristol on September 13. The rate is \$109, not the \$89 rate we first heard.

As a last item, one of our members has been receiving unwanted phone calls and thought it might be caused by his number being shown under the committee chairman list. If anyone has concerns about having their phone listed anywhere on the web site, let me know and I will remove it.
