The first meeting of the SAN DIEGO KIWANIS CLUB was held in the ballroom of the U.S. Grant Hotel on Tuesday, August 17, 1920, The Charter night banquet was held at the Hotel Del Coronado as we became the 6th club in the California-Nevada District. We sponsored many other Clubs over the years and instituted the first Key Club at San Diego High School in 1924. Our commitments to our community and the youth and citizens of it, have been stupendous and we just keep getting better each year.

DON'T MISS THE FUN.....COME HELP US CELEBRATE

Birthdays will be recognized next week

**The San Sack Drawing was held and the name
John Beck was called
John was not present and missed the \$50 prize
There will be no Sad Sack drawing at the Sept 13
meeting, so the 9/20/05 meeting will have a \$100 prize.**

NOTES FROM THE 8/6 MEETING & OTHER STUFF...

Prez Frosty reminded us again that there will be no meeting a noon on Tuesday September 13 but it will in fact be an evening program in celebration of the club's 85th anniversary. This fact is inserted at the request of our Prez - who we always try to obey - in spite of the fact that it was already mentioned above!

Charlie Coleman introduced Stephen All for presentation of his 30 year Legion of Honor. Stephen originally joined Kiwanis in Flint Michigan which is located somewhere near President Doug's thumb.

John Kizer, in keeping with his sinister plot to infiltrate the club with Navy Supply Corps people, presented Paul Steffens with his permanent badge.

Eldon Thompson proudly displayed one of the Entertainment books. He pointed out that they are going fast and everyone should buy one quickly before they are all gone.

There was another beautiful Flowers by Coley arrangement which you can see in the photos. After some active bidding by several people, Tim O'Reilly was successful with his bid of \$50.

On September 27 we will have the installation of the club and foundation officers for the year 2005-2006. We have invited all the past presidents to share in the festivities. Stephen All is putting the program together.

As an added bonus, Jack Templton has produced a 13 minute video tape (click here) edited from four hours of video taken in the years 1979-1981
