### Together, We Build For Freedom

It is particularly fitting that our KIWANIS Club has the honor today to be host for the presentation of the FREEDOMS FOUNDATION 1954 awards. Our motto, "We Build"; our ideals and objectives of citizenship service and our recognition that Freedom is Our Sacred Trust makes KIWANIS a natural partner of FREEDOMS FOUNDATION in the struggle to maintain the American way of life and pass it intact to succeeding generations.

FREEDOMS FOUNDATION was established at Valley Forge in March, 1949. It is non-profit, non-sectarian and non-political. Under its charter it exists to:

"Create and build an understanding of the spirit and philosophy of the Constitution and Bill of Rights, and

"Inspire love of freedom and to support the spiritual unity born of the belief that man is a dignified being, created in the image of his Maker, and by that fact possessor of certain inalienable rights."

Since its establishment, FREEDOMS FOUNDATION, through its annual cash and honors awards to schools, newspapers, colleges, public speakers, cartoonists, photographers, clergymen, radio and television programs, community programs, essayists, and a host of other groups and categories, has created a resurgence of the true American spirit, and its vocal and visual witness. turn rests upon a fundamental belief in God, is one to which all KIWANIS can wholeheartedly subscribe.

We are honored today to have Mr. Don Belding, Chairman of the Board, FREEDOMS FOUNDATION, here to present the awards won by San Diegans and San Diego Schools for their work for freedom in 1954. We owe thanks to the San Diego Advertising and Sales Club, whose President, Mr. Harry Green, is our guest also, for relinquishing to us the pleasant responsibility for hosting our distinguished guest and the awardees. This occasion has been

traditionally the privilege of the Advertising Clubs, that profession having spearheaded the presentation of the FREEDOMS FOUNDATION program to the nation.

FREEDOM IS OUR SACRED TRUST, as it is that of every American, and FREEDOMS FOUNDATION has done an unparalleled job of building that realization into the consciousness of millions of Americans, young and old. That makes FREEDOMS FOUNDATIONS and KIWANIS real partners—

WE BUILD.
