Youth—It's Wonderful!

Especially when it is the kind of youth we saw in our Key Club program last Tuesday. The parents, teachers, **Pete Petersen** and our Kiwanis Club can take a just

pride in the young men from San Diego High who share our K with us. And we'll have more of the same reassurance of the quality of our up-and-comers in our more than welcome 20-30 visitors this Tuesday.

El Centro 30th Anniversary

El Centro regrets they cannot shift their May 6th meeting from the customary noon to evening as we suggested. Nevertheless, we are really obligated to have a delegation there. A number of their still active members remember the 1925 charter meeting. I am planning to drive over and I can carry four of you. **Del Thurber** is recruiting. Give him your name today and get together on transportation. It'll be fun.

Next **BOARD MEETING** will be May 3rd at the Mission Valley Country Club. We can get through early if everybody will be in time to be seated promptly at 6:30. Board Members, Committee Chairmen are expected and all club members are invited. Please let **Bill Whitney** know if you are coming. It is always a good dinner.

Share Your K

You'll find a supply of beautiful wall plaques setting out the Kiwanis Objectives and reflector emblems for your car displayed at the door. They are for sale. Display the Kiwanis emblem—this is our 40th Anniversary year, remember?

Les.
