

**Kids' Day Coming Up**

Don Keller, Chairman of our Kiwanis Kids' Day is going to need man-power pretty soon, and you are the men to provide it. September 24 is the date and we have to make it **THE** big day for San Diego kids. Every member of the Boys & Girls Work Committee and the Underprivileged Children's Committee is automatically a member of the Kids Day Committee. So when Don calls on you, come a-running. (Remember he's also the District Attorney!)

**MORE SEPTEMBER 17 TICKETS AVAILABLE**

Kiwanians certainly know a good thing when it's presented to them and the fifty pairs of tickets we had for the September 17 Inter-Division Dinner went fast last Tuesday. We are the biggest club, with the biggest Lieutenant Governor, so naturally we must have the biggest turn out. Griff Hayes and Ray Booth and their business card collectors will have more tickets to exchange with you this Tuesday. A good dinner in good company and a good speaker, and a good mark for taking your Kiwanianne out, an attendance make-up if you need it and all "on credit, nothing down." You just can't lose on this one.

**CARD OF THANKS**

Thanks for the unobtrusive way in which the "early risers" passed out last Tuesday. It was hardly noticeable from the head table, and I was looking for it. It was a par-

# San Diego Kiwanis Tidings

"Entered as second-class matter January 18, 1952, at the Post Office at San Diego, California, under the act of March 3, 1876." Published weekly at Pioneer Printers, 805 West Cedar St., BE9-0341, San Diego 1, California, by the Kiwanis Club of San Diego, California. Chartered December 4, 1920. Subscription price \$4.00 per year in advance.

## "Apple for the Teacher" Program Sept. 6, 1955

Last year the San Diego Kiwanis Club initiated an "Apple for the Teacher" program which honored new teachers in San Diego. Thirty-eight Kiwanians invited teachers to be their guests and the program was devoted to making these teachers feel welcome to San Diego. The idea has caught on with many service clubs in San Diego and the City Schools Personnel Office has been co-operating with them to insure enough new teachers to go around.

Our problem is that only twenty-three members of our Club have indicated desires to have teachers as their guests for our September 6 program. We need more hosts. Being host merely involves having a teacher as a guest and introducing her or him at the meeting. Please call Darrell Smith at CY 8-4681, Ext. 314, and make your reservation.

## 100 Tickets Sold for Inter-Div. Dinner Sept. 17

Our allotment of 100 tickets was sold out at its first presentation for sale at last Tuesday's meeting to drum up attendance at the big Inter-Divisional dinner scheduled for Sept. 17 at the Balboa Park Club.

At least 25 more members indicated they would purchase tickets when a new supply is obtained.

The occasion is the annual conferences of Divisions 11 and 21 to nominate the 1956 lieutenant governors. It will be followed by a dinner for Kiwanians and their ladies. Rev. Alec Nichols, one of California's most dynamic orators will be the speaker of the evening. The former San Diego clergyman has recently been appointed to the pastorship of the nationally known Trinity Methodist church in Hollywood.

## Grid Stars, Game Queen To Be Introduced Tuesday

Some of Southern California's greatest prep football stars will be introduced at Tuesday's meeting in recognition of their appearance Wednesday night in the 7th annual So. California College Prep Charity Football Game in Balboa Stadium.

The All-So. Calif. team will clash with the All-Los Angeles High School team for the benefit of the San Diego Children's Dental Health Center, which provides dental care for needy children.

Also to be introduced at the luncheon meeting is Miss Anna Alford, June graduate of La Jolla High School, whom football players selected to be game queen as "Miss College Prep of 1955."

The game is sponsored by the Breitbard Athletic Foundation which includes Kiwanians Leo Calland, Ed Scott, Junior Todd and Bill Whitney.

Such dentist-Kiwanians as Kim Hill and Clyde Cunningham have long taken an active interest in the Children's Dental Health Center which was enabled to open its doors by proceeds from the 1952 Prep All-Star Game. The Center since then has completed more than 10,000 appointments with children who desperately needed dental care.

Your attendance at the game Wednesday night will go a long way in efforts to care for more thousands of children's teeth.

## From the Mail Box

August 8, 1955.

I wanted to thank you for sponsoring my recent trip to Arcadia, California, for the National Public Parks Tennis Tournament. I had an enjoyable time there and the members of the Kiwanis Club helped to make it so pleasant for me.

Sincerely,

Donna Smith.

## Last Chance to Win a Prize!

Prizes are being offered to the members who find the most locations for gum machines during the month of August.

"Chic" Holloway will give a Four Months' Ant Control Service for your home as the first prize. Griff Hayes will give two box seats to any Padre Baseball game, as second prize.
