

# Be prepared Tuesday for that donation to the "HAPPINESS HOUSE FUND" of Indoor Sports Building program

## Excellent results reported by both Clubs in recent contest.

Well, the contest between our club and New Orleans has produced excellent results for both clubs and even though we did have to send a box of lemons (donated by McGinty McIntosh) to them, we refuse to send the sugar they have requested for the "ade."

Guess this has been a sweet contest without our further donation to the cause.

Received a make-up post card from Palmer Conner from that club for a recent visitation and hope that he has a pleasant time. We know from personal experience that New Orleans is a grand old town and opine that there is much of that "Southern Hospitality" one reads about in a visit to the Kiwanis Club, as well as the town itself.

## Very worthwhile lectures

The Third Annual Institute of World Affairs under the auspices of San Diego State College will be held starting August 3rd and will hold meetings until August 10th.

These meetings will be held in the main auditorium of the First Methodist Church at 9th and C Streets.

### PURPOSE

The program on world affairs is planned as a part of the summer sessions offerings of San Diego State College. The Institute is founded on the conviction that the dynamic inter-dependent world of tomorrow will increasingly condition the character and problems of American society. Leaders of thought and action in international relations representing the points of view of different nationalities, races and minority groups will join the faculty of State College in the promotion of a better understanding in this region of the interests

#### GENERAL INFORMATION

The Institute of World Affairs is a self-supporting, non-profit, educational enterprise conducted by San Diego State College as a public service. All contributions made to its support will be returned to the public in the form of educational service in the promotion of a better understanding of public issues and problems, local, national and international.

Admission: Institute sessions are regularly open only to members of the Public Service Bureau of the San Diego State College Foundation and to students who have registered in Term I or Term II of the College Summer Session (The Sunday evening session is open to the general public without charge). Membership in the Public Service Bureau is available to the general public upon the payment of \$2.00 for regular membership, \$10.00 for contributing membership and \$25.00 for supporting membership.

A certificate of membership in the Public Service Bureau of the San Diego State College Foundation entitles the holder to admission to all sessions of the Institute of World Affairs and to all appropriate events under the direction of the Bureau in the college year 1945-46. The program planned by the Bureau is made possible at a nominal regular membership fee by substantial contributions from other sources. A certificate of membership or a student body membership card must be shown at the door for admission to all sessions of the Institute, except the Sunday evening session.

Make checks payable to San Diego State College Foundation.

### SIX RESOLUTIONS ADOPTED BY 1945 COUNCIL, URGE CHARTER SUPPORT, CONTINUE WAR AID

Resolutions calling upon Kiwanis International to continue its all-out support of the war, to develop a United Nations Charter Day Program, and to seek to maintain the close relationship that exists between the United States and Canada were adopted by the 1945 International Council at Chicago in June.

Past International President A. Copeland Callen, Bethlehem, Pennsylvania, served as chairman of the committee on resolutions.

The six resolutions adopted by the Council follow:

#### Resolution No. 1

WHEREAS, The culmination of one of the major phases of the World War in which the United States and Canada are involved and the transfer of numbers of our armed forces to new and more distant areas of operations may affect those who are called upon to serve here at home with a sense of loss of momentum and remoteness from our ultimate objective; and

WHEREAS, The issues of which the war was undertaken are not yet fully and finally settled,

BE IT RESOLVED, That this Council confer upon our incoming Board of Trustees and our administrative officers a further mandate to utilize the abilities and the entire resources of Kiwanis International in supporting, maintaining and prosecuting the general war effort to a decisive and successful conclusion.

## 'Git, while the gittin's good'

Oliver McMahon advises that a goodly supply of new typewriters are being received in his office.

Members who have been awaiting this good news had better get busy before the supply is exhausted.

Our speaker last Tuesday, Mr. Wilbur Hamman of the San Diego High School Speech Arts department gave us a most valuable talk on the proper way to speak and read.

He used a number of illustrations from the classics and we are sure that members gleaned much good from this talk.

Thank you Mr. Hamman for your instructive talk and readings.

## Let's get on the bandwagon

President Ed. has issued an ultimatum regarding the roster and those members who have not yet had their pictures taken (or if you have one, hand it to the secretary) will just have to go without a roster until they do. This roster has been in the making for quite a long time now and unless the pictures come in, they cannot be included in the first distribution which will be made shortly.

It seems that every club has to go through this same procrastination period and of course while the secretary is usually blamed for this he is trying his utmost to get you to have that picture taken so
