Chewing Gum Committee Does It Again!

"Chick" Holloway, chairman of the Chewing Gum Committee turned over another check to the Club in excess of \$100.00 for our share from the gum machines. This time, for the month of July, it amounted to \$101.33, bringing the grand total to \$7,972.00. Mighty fine work. "Chick" is on the lookout for more locations; so anyone who knows of a good place, tell him about it.

Prizes for new gum machine locations will be announced at Tuesday's meeting.

RESOLUTIONS—(continued)

6. Establish an annual "Good Neighbor Week" honoring peoples of other nations whether residents or visitors.
7. Indicate our support of technical assistance to worthy nations.

5. Juvenile Delinquency

Whereas, only a very small percentage of teen-age activity can be condemned, it is a fact, nevertheless, that juvenile delinquency does exist, in varying degrees, in every community throughout our nations; and

WHEREAS, among other things, lack of parental interest and responsibility, lack of religious training, inadequate court and probation facilities, and inertia of public opinion are causes of juvenile delinquency; and

WHEREAS, sadistic and obscene literature and so-called crime comics, recognized as immoral, are available to anyone irrespective of age, and evidence shows that such publications have influenced our youth thereby further contributing to their delinquency;

NOW THEREFORE BE IT RESOLVED, that Kiwanis International, through its member clubs:

1. Arouse public opinion to gain the cooperation of service clubs, parent-teacher associations, home and school associations, church groups and others to combat the causes of juvenile delinquency;
2. Campaign to suppress such sadistic and obscene literature and crime comics;
3. Persuade parents of the necessity to supervise their children's reading, to participate in their religious training, and to assume responsibility for directing the energies of youth into wholesome channels.

6. Limitation, Inspection and Control of Armaments

WHEREAS, most nations of the world are now engaged in a race to increase their military might; and

WHEREAS, this race is costing their taxpayers many billions of dollars; and

WHEREAS, the peoples of many of these nations are being enslaved in this race for power and defense; and

WHEREAS, human and natural resources are being wasted which could better be used in peacetime pursuits:

NOW THEREFORE BE IT RESOLVED, that Kiwanis International favors, under United Nations supervision, the limitation, inspection and control of the armaments of all nations and urges them to work diligently toward that end so that all people may live side by side in peace.
