SAN DIEGO KIWANIS CLUB

TUESDAY AT NOON February 10, 1981
SCOTTISH RITE CENTER, SAN DIEGO, CALIFORNIA

PROGRAM

Topic:

"A UNIQUE YOUTH
CRIME PREVENTION PROGRAM"

Speaker:

CHRISTINE METZLER
Crime Prevention Specialist
San Diego County Sheriff's Department

CHAIRMAN OF THE DAY

JOHN DUFFY
Sheriff
County of San Diego

INVOCATION

TIM WILLARD
University of San Diego

THE PROGRAM

CHRISTINE METZLER, a crime prevention specialist from the San Diego County Sheriff's Department, will discuss crime prevention and review the department's crime education programs for children.

Born in New York and graduated from Cal State, Chico with a degree in child psychology, Christine has been with the Sheriff Duffy's department since 1978.

Christine planned and developed various children's programs on traffic rules, fires, vandalism, watching out for strangers, hitch-hiking and other crime areas, which are used by the Sheriff's Department. She was awarded the "Fragile" award from the "International Society of Crime Prevention Practitioners".

This will be a refreshing program that shows us a side, that we know little of - and hear less about, on how our Sheriff's Department is helping to prevent crime. Our admiration and thanks to CHRISTINE METZLER and SHERIFF JOHN DUFFY.

PREZ SEZ

Two great programs...just passed (another coming up). Jan. 27 HUDSON & BAUER, locally famous radio team delighted the audience with their special brand of humor. Last Tuesday, DON BAUDER, SD Union Financial Editor, brought the group up to date on the status of the economy. These are reasons not to miss the fellowship and special events of each Tuesday.

TIME TO LOOK IN THE ROSTER

Take a moment. Examine your new Club Roster and make an effort to know who your fellow Kiwanians are...note the new members. These are men you should get to know better.

KIWANIS IN ACTION AGAIN

Last Wednesday, our Club was in the news as the AGRICULTURAL/CONSERVATION Committee supervised the planting of 52 trees as a living memory to the Americans just returned from Iran. The ceremony took place at Tecolote Shores, Mission Bay.

TOO-BUSY and SHORT-TIMERS NOTE

Members who regularly attend Tuesday meetings and work on a committee are active people who manage their time. Often being too busy and having no time is a matter of planning. What you receive out of life...including Kiwanis... is directly related to how much you put in. Busy, organized people know this.

SUCCESS isn't how far you got, but the distance you traveled from where you started.
