

Abraham Lincoln

Next Tuesday we will celebrate Lincoln's birthday with a special program featuring a talk on Lincoln by Superior Judge Joe L. Shell. As an added feature we will be favored with some musical numbers by the "Collins Twins" who have come into fame through the work in Radio on the Nelson Eddy shows and with the Paul White-man's Gas Light Gaieties.

The Collins Twins are Mrs. Ed. Elsner, wife of our member Ed. Elsner and her sister, Mrs. William Stewart.

James H. McKinney will be program chairman.

Roster information

The Secretary announced the formation of a new roster and handed out cards to the members to fill out so that information necessary for the roster will be correct and up to date.

The compiling of such a roster is quite a task and it is hoped to be able to get this out in a short time, so please be patient.

AL RIECHERS back in club after long illness.

It was great to have Al Riechers back with us Tuesday. Al has been ill for quite some time and has been slowly recuperating.

He is getting better rapidly and we look forward to his again making himself a regular attendant at our weekly meetings.

Glad to have you back Al and keep on coming. You will enjoy the renewing of the fine friendships in Kiwanis and we know you will be able to meet quite a few new members who have come into the club during your absence.

Dick Nelson has also returned to the fold after a month or more of absence in the East on business. Glad to have you back, Dick.

OCEAN BEACH

National Boy Scout Week

Ocean Beach Kiwanis Club, at the Tuesday night meeting, observed National Boy Scout week, with Harvey H. Atherton, prominent San Diego Boy Scout leader, as the main speaker. He gave an inspiring, from-the-heart talk on the value of Scouting, and urged the Kiwanians to make a special effort this year to visit meetings of the Boy Scouts of Ocean Beach.

Atherton said that in the 16 years he has been working with Boy Scouts he has never seen a time when there was as much interest in this phase of boy activity as now. "We have 6000 boys and 1400 men active in our San Diego Council area now," he said. "Nationally, one million boys are in scouting now and 10 million have gone through scouting.

"The San Diego Council in the past three years has had the greatest growth in its history.

"But scouting needs manpower. To give money to it is not enough.

"Boys want action, and with our 125 different merit badges, action is what we give them. There is no mystery to boys liking this activity since it is just a natural outlet for a boy's energies."

He gave figures to show among the millions of boys who have been Boy Scouts, the percentage that have become criminals is practically nil.

There is no better way than Boy Scout training to combat and prevent juvenile delinquency, he indicated. Pointing out the need for scouting in this city, he estimated that the city is spending a half million this year for handling juvenile delinquency.

Martin Murphy, Ocean Beach scout leader, was the program chairman and 12 of the scouts of Troop 28 of Ocean Beach were special guests of the club. The 12 were Linden Raney, Jerry Hansen, Walter Turner, Louis Bingham, Ralph Gastellum, Jimmy Hart, Howard Mayfield, Robert Plant, Norman Reese, Larry Dickey, Bert Skinner and Cromer Hubbard.

At the business session, Glenn Jones, 1944 president of the club, was presented with a certificate of merit by Kiwanis International for the achievements of the Ocean Beach club under his direction the past year. Von Marshall of La Mesa, district Lieutenant Governor, made the presentation. Marshall was accompanied to the meeting here by a delegation of La Mesa Kiwanians, including C. H. McNarym, E. H. Lehw and Elmer Drew. Each of the four men was accompanied by his wife.

Another guest at the meeting was Anthony De Pietro of the Shoe Hospital of Ocean Beach. He was a guest of Dr. W. B. Oster.

The talk by Lt. (jg) Glenn Cunningham on Sports was a most interesting recital of experiences in the sport field and of a trip to Japan, where the Olympic games were held some years ago.

The experiences of the team and what they had to put up with in their travels gave some interesting information about what really seemed to be in preparation for future war even at that time and we are indeed indebted to Lt. Cunningham for a very interesting recital of events of the past.
