CUT OUT ON THIS LINE

U. S. and Canadian Songs

We all know the first verse of "AMERICA" but many may have forgotten the words of the fourth. They particularly fit our Kiwanis ideals and so are printed below. On the other side are the first verses of "GOD SAVE THE QUEEN" and "TWO NATIONS." Both are to the music of "AMERICA." Clip this for your wallet. We'll sing them to our next visitors from Canada.

4th Verse of "AMERICA"

Our fathers' God, to thee
Author of liberty,
To Thee we sing,
Long may our land be bright
With freedom's holy light;
Protect us by Thy might
Great God, our King.

Subject

"HOW AN OIL FIELD WORKS"

This is a personal presentation by a petroleum engineer, who, through the use of a working model of an underground oil and gas reservoir, takes you down into the depths of the earth and shows you how oil and gas behave underground and how such behavior can be controlled by man in the interest of conservation.

EDITORIAL

BROTHERHOOD WEEK

By Walter H. Stark

"Brotherhood Week" is the objective of the National Council of Christians and Jews, that we may think in terms of our fellow men as individuals created under God. Thus we evaluate each man in terms of what he is, rather than from whence he came. We think in terms of intelligence instead of past divisions. Those who follow the "More Excellent Way," number among their friends those from many races and creeds.

To America has come no one people, but many peoples from all the countries of the Old World. Each has brought muscle, mind, culture and ambition, to be welded in one people who speak one language, and worship one God.

Because of this our Nation has become great in excess of all other nations. We have earned the right of Leadership, but leadership in the new age brings also the privilege of sharing our knowledge and our products with the less fortunate. This we can and will do, but we must also impart our love of Freedom, our practice of Democracy, and our Faith in God, for no one of these can long stand without the other two.

Snyder Has Inter-Club Activity Sizzling

Floyd Snyder, responsible for Inter-Clubs in February, has the Club off to a great month with 16 members attending the Inter-Club at Harbor when Les

Gehres spoke; another one with 10 at Lakeside for a fine program put on by Clarence Burdette; and still another at Hillcrest with eight of our members.

Inter-Club Chairman Griff Hayes also added points for us by arranging the Santa Ana-Newport attendance at the big 40th Anniversary meeting at Balboa Park.

KUDOS FOR KIWANIS

Newsworthy activities of some of our members as recently reported in the press: **John Cook** re-elected to a third term as President of the Retail Jewelers Assn.;

Dr. Elliott Colby elected President of the San Diego County Camp Fire Girls Council; **Bob Frazee** pictured presiding at a planning session for a Stanford conference; **Leo Calland** with a big story on his City Park & Recreation Dept.; **Kiwani-anne Muriel Tolle** elected President of State College Alumni Assn. and, in the lighter vein, notices about **John Aseltine** and **Hubert Rose** in Morgan's "Crosstown." Kiwanians in the News means Kiwanians in Action (also \$ in the boxes!).

For fast starting action you should have seen our January activities report. Required 4 pages! Every committee met, planned and DID SOMETHING worthy of report. Club ranking was 94.5. That meant 100% in every weighted factor except attendance, in which we reached the creditable figure of 91.03%. **Bill Whitney** said he never saw anything to equal it, especially for a January. So KUDOS to you, KIWANIS, too.

COMMITTEE CHAIRMEN — Check through the February Kiwanis Magazine but really. It's full of ideas for projects, programs, activities, and some are ones we could well use.

Could I ask you all to try to get in to lunch a little earlier? I'm set on banging that adjournment bell at 1:29, yet I dislike to start the program before you've had time to eat. I could do the first and avoid the second if we all came in at our scheduled meeting time of 12:10.

KIWANI-ANNES

(Continued from page 1)

new and interesting "September Monkey" by Induk Pakh. Since this is a story about the Korean people, rather a blend of the old and the new, brought about by following the life and career of its main character, this should prove to be a very interesting program.

Hostesses for the day will be Gladys Ingram, Gwendolyn Booth, and Maybelle Talbot.

Madeline of the Marlin Inn is supplying the decorations.

"GOD SAVE THE QUEEN"

God save our gracious Queen,
Long live our noble Queen,
God save the Queen.
Send her victorious,
Happy and glorious
Long to reign over us,
God save the Queen.

"TWO NATIONS"

Two nations side by side,
Neighbors in peace abide,
And liberty.
Sprung from one ancient line
Serving one God divine,
Two flags as one entwined,
Two nations free.
