Producer

THE PROGRAM

If you have laughed at the boy/girls situations in "Three's Company", ogled the fair sex along with Stanley on "The Ropers", and if you remember those hilarious early episodes of "All In The Family" and "The Jeffersons" - come meet the man who has been a part of all of them. Writer, associate producer, production consultant and producer - GEORGE SUNGA, the San Diego 'boy who made good'!

George was born in San Diego, attended Memorial Jr. High where he met Bob Shumake. George says, "Together they became the comedy team of 'Shumake & Sunga'. (Bob got first billing because he owned the joke books and the funniest costumes." They performed at USO shows and most recently on TV's "P.M. Magazine".

After graduation from San Diego High (Lawrie Carr was the principal) and San Diego State, George started in the CBS Network mailroom in Los Angeles and later into CBS production on the "Ed Sullivan Show", the "Judy Garland Show" and every major variety special.

In 1966 he left to become producer on the "Smothers Brothers Comedy Hour". In 1974 Sunga joined the Norman Lear organization to work on "All In The Family". On a Waiver from Lear in 1976, he was associate producer of an outside comedy pilot, "Three's Company" for a three-man writing team who wrote the first five seasons of "All In The Family". In 1977, "Three's Company" started as a regular series on ABC and ranked 30th out of 80 shows. It was changed to the slot after "Barney Miller" and has been in the top five shows since then. Sunga has also served as producer of "The Ropers".

Shumake and Sunga got together again as a team for San Diego High's 30th Anniversary Homecoming celebration last November. George said that "Bob still owns the same joke books and still wears funny costumes".

This is LADIES DAY - Be sure to bring YOUR LADY TO THIS SPECIAL PROGRAM!

AVIATION MUSEUM HALL OF FAME

BILL GIBBS suggests we form a group to develop interest and enthusiasm for the continuance of aerospace achievement. The Balboa Park facility has many programs to stimulate the understanding of this subject to the Youth in our community. If you can be a part of this program, and help get this started, call Bill and pass on your own ideas.

Some Who Took The Time To Care

The AGRICULTURAL/CONSERVATION COMMITTEE joined forces with INTERNATIONAL RELATIONS COMMITTEE to sponsor a Saturday trip to the home for deaf children at Sordo Muro on Feb. 14. BOB AMON (Ray Lussa Assoc.) and GALEN COFFMAN (3M), led a group of eight, plus wives, to do this project. They took 25 trees, food supplies and other necessities. (Trees from our nursery, canned fruit/juices, P-Nut butter, jam, T-Tissue, acquired through MO PEELE, and a case of F-Tissue donated by DAVE MORRISON, truck: RAY LUSSA.)

The following caravanned south, did shovel work, and toured the facility! BOB AMON, WILLIE COATES (RADM, Ret.), GALEN/HARMONY COFFMAN, VIC HALL, (COMM. INC.), JOE MADDOX, BOB/BETTY MARION (Capt. USN, ret.), JACK/LYDIA TEMPLETON, and BILL/MARIJEAN WINTERBOURNE (SD County Ret.).

A beautiful day, a most rewarding experience, and another example of Kiwanis in action where it counts.
