## THE PROGRAM

KFMB's Radio Morning Team-HUDSON & BAUER, who every morning give us a hilarious experience as they describe life's events with their own brand of creative and topical humor.

HUDSON broke into radio the traditional way, starting off cold and working his way up. "My first job was at a station in Beaumont, Texas, that was run by The Big Bopper. George Jones had a weekend gig on the same station. It's impossible to break in that way now unless you're a black, Chicano female."

BAUER wandered into radio after an odyssey that included five years in a seminary. "My parents doped me but one day I dried out," he deadpans. "That just happened to be the day the seminary ran out of saltpeter and whole new worlds opened up to me."

The highest-rated of the four two-man teams spinning records and ad libs during the morning drive, Hudson & Bauer joined the station four years ago by chance. "I was doing a two-man show in Houston but my partner didn't want to come out here," Hudson says. "I was thrilled because I hated the guy. Joe was doing a single afternoon drive show and we came out together."

This program will be 'a great change of pace'... A little 'roasting' and a lot of fun...

It is 'LADIES DAY' so be sure to bring your lady and a friend!

### SOME COMING EVENTS OF IMPORTANCE

A super opportunity is planned for Saturday, Feb. 14--Valentines Day. The International Relations and Agriculture/Conservation Committees will do a group trip to the Deaf School for Children at Sordo Mudo. Purpose: plant trees, bring gifts of clothes, toys, etc. (We have been a long time supporter of this wonderful, rewarding project.) Members & wives are invited to participate. Since Ensenada is close by - to then remain over night and return later on Sunday. We hope for many to be a part of this exciting weekend. The Club Board has approved our sponsorship of the 1st Annual San Diego Chili Cook-Off to be held on the grounds of the Naval Training Center, Saturday, May 2, 1981! This event will attract at least 15,000 attendees. The profits will go to our Foundation. GALEN COFFMAN (3M) is the Chairman. ALL members will have an opportunity to be a part of this spectacular affair. It is officially sanctioned by the International Chili Cook-Off Society. More later - here and at our meetings. Plan to sign up on one of the many sub-committees that will be formed...  
Tribute to Former Hostages. We plan to supervise the planting of 52 trees in a Mission Bay park area when a time can be arranged with the Morefields. The City of San Diego has selected the area and the trees are ready to be planted.
