THE PROGRAM

MAKING OF A MARINE

To claim the title Marine a man must develop an attitude that takes its initial roots at Marine Corps Recruit Training. Nowhere is the training as exacting for seventy three days. The transition from civilian to Marine is achieved by the intangible "esprit" and discipline that separates the Marine Corps from all other armed services. The training philosophy is to make good men better by developing mental and physical toughness, character and comradeship. Recruit Training is the making of a Marine. Ask any Marine!

COLONEL HAL J. GIBSON is the Commanding Officer, Recruit Training Regiment, Marine Corps Recruit Depot, San Diego. He joined the Marine Corps on 2 Aug 1957, following graduation from Oklahoma State University.

Colonel Gibson has served in many commands and staff billets, including command of two different battalions. Among his decorations are the Bronze Star medal with combat "V" and the Presidential Unit Citation, both awarded for action in South Vietnam.

and, a graduating recruit.

MORE THOUGHTS ON WHAT'S HAPPENING....

Possibly all can imagine the great preparations that go into each meeting... Many persons are involved to make sure our luncheons and programs happen in a successful manner. Of course, the office with Rose McKinlay and JR. TODD are the 'point' people and they do a wonderful job... a really big responsibility... *At the meetings we rely upon BERNIE KAYE (Real Estate Inv.) to lead us in song. BERNIE is a very talented person with an exceptional voice...* FRITZ OSTENDORF (Pers. Navy Exch.) is another main individual. He is our accompanist and an outstanding one... We are all most appreciative for the efforts of these good people. They are the ones who contribute to the whole 'happening' on Tuesdays. *Each week we ask a member at each table to write down the TABLE TOPICS - a very important part of our TIDINGS... After the meeting, ED MILLER (RAdm. Ret.) collects them for editing prior to publication. He does a super job and it does take time each week. We are grateful for his contribution...* A BIG sign at last week's meeting proclaimed the 'thanks' from the Boy Scouts for the new camp truck presented to them by our Club. That sign was the donated, unselfish work of another member, AL HUNT (A. Hunt Ent.) who can be counted upon to always come through when needed... These are some of the people in our Club who make it all happen. There are many, many more. The San Diego Kiwanis Club's rich and continuing history of involvement has gone on with people like these. It's time to say 'Thank you'!

GOD LOVETH a cheerful giver, not entirely of money, but rather of self. Such a man, if in business, has something more in mind than the mere making of money.

TABLE TALK

...TOM TOLLESON, Chairman, Scholarship Committee, says the potential in the applicants is very positive..... SAM TROZZO recently returned from a week's fishing trip to Montana to recuperate from a two week trip to mainland China and Japan. Tough life.!!!. DAVE GALLOP just returned from Former-Prez Gerald Ford's home town-Grand Rapids, Wisc.- where he attended the annual Conference of the National Association of Congregational Christian Churches. The mosquitoes were unique: some so small they went through screens, others so large they opened the screen doors....?

Speaker JUDGE YALE made his point telling about the first criminal case in San Diego - don't steal rowboats!!! ...We got confused. Should we send all the criminals, or is it the lawyers, out in the middle of the bay in a row-boat, then sink it.???. JACK O'NEILL shot 73 at Bonita. Great game, JACK!! ...AL PELLING's dog, Mac, killed a skunk. AL's wife, MAGGIE, deodorized him with a tomato sauce shampoo. Max is no longer a loner.....Another skunk story: One was observed in the new offices of Bayly, Martin & Fay. Enticed to leave - left no traces! Great salesmen-those fellows!!!...BILL CORBETT was practicing his Spanish at lunch in preparation for the Inter-Club at Tecate. He needs it...! MARK MOORE sporting a bandage on left elbow-bursitis. No problem, not his drinking arm....! "YOU HAVE TO BE A LITTLE BAD TO BE GOOD."

DAVE & PAT LAMBERT observe that it's great to see so many relaxed and refreshed members after the long 4th of July week-end--ready to work..???... ...FRED BAKER back from the National Association of Music Merchants convention in Chicago-glad to be home... BERNIE KAYE heading for the hot climes of Phoenix... DICK HAUGH leaving for Omaha for his in-law's 65th wedding anniversary!!! JIM DALBY just returned from Flying Tigers Bi-Annual reunion...!. VERN GEORGE reports "unbelievably spectacular scenery" while on a 4-day back-packing hike with the Sierra Club on the Mineret Mountains at 10,000 feet over the 4th of July week-end!!!...Postcard from New Orleans: "Dear Jack, Ellis and I request to be excused from the Tuesday meeting... Ellis is in jail. Tried to stop me from entering a Bourbon Street place to preach against iniquity. He was arrested for disturbing the peace. I am in the hospital--too much rich food. Great convention. Greet all the fellows on our behalf." Paul.' The Very, Very Reverend PAUL PULLIAM..... ...When GRIFF HAYES responded to a \$20 fine, our preacher at the next table said, "Amen!" ...JOHN WOOD reports that his friends are impressed with his 'new' car--it's a Mazda-but he tells 'em it's a Mercedes.=====!
