SAN DIEGO KIWANIS CLUB

TUESDAY AT NOON

July 21, 1981

SCOTTISH RITE CENTER, SAN DIEGO, CALIFORNIA

PROGRAM

Topic:

"AZTEC FOOTBALL"

Speaker:

DOUG SCOVIL
Aztec Head Football Coach
San Diego State University

Chairman of the Day:

JOHN BYRNE
SDSU Aztec Athletic Foundation

Invocation by:

MAX SCHETTER
San Diego Chamber of Commerce

THE PROGRAM

There were no wedding bells or rice thrown when DOUG SCOVIL was named head football coach at San Diego State University last December. However, it's not too hard to see why the occasion could be considered a "marriage made in heaven". After all, the announcement had brought together a school that has become synonymous in college football circles with an innovative passing offense and a man who is acknowledged to be one of the best minds in the country when it comes to throwing the football.

DOUG SCOVIL is the ideal candidate to continue the aerial legacy of Don Coryell and Claude Gilbert that has made SDSU famous. The 49-year old Anacortes, Washington native comes to Montezuma Mesa with a wealth of major college and professional experience, most recently being four successful years as a top assistant at Brigham Young University. His 1979 BYU team broke 13 NCAA offensive records while the 1980 unit broke or tied 28 records, many of them previously held by San Diego State. The Cougars last year led the nation in passing, scoring and total offense, while their quarterback, Jim McMahon, became the first collegian at the I-A level to surpass 4,000 yards in the air.

Mr. Scovil has coached at the Sacred Heart High School in San Francisco; College of San Mateo; U.S. Naval Academy under Wayne Hardin; University of the Pacific; San Francisco 49ers (they won three divisional titles during his time there); and the Chicago Bears. He coached twice in the Pro Bowl and was on the Senior Bowl staff in 1975.

KIWANIS INTERNATIONAL RELATIONS AT WORK!

We have welcomed VIVIANE SIMONIN into our home as the Club's special guest from France. Her father, JEAN SIMONIN, started the Kiwanis Clubs located in the city of Lille (2nd largest city in France). There are now 14 clubs there.

Viviane just completed her 5th year of medical school, is 23, and expects to specialize in endocrinology. She will be visiting San Diego until August 28...her first trip to America. We have begun to get acquainted and find that she is many things: very bright, charming, pleasant, interested, athletic (she has been a skier since age 2, plays squash, etc.), is very well versed in the arts, music, and entertainment, and has an excellent sense of humor. She also plays bridge! Viviane is a joy to have as a guest. Her English is picking up fast. We have no problem communicating as long as our speech is moderate and her awareness is considered.

MEMBERS' INTEREST AND HELP NEEDED.... to make Viviane's visit complete. Will you extend your hospitality? Many have already. Naturally, Lydia and I would like to have her meet many people. Viviane is most anxious to improve her English and see as much of our good culture as possible. (Lydia and I are handling her schedule.)

Real joy comes not from ease or riches or from the praise of men, but from doing something worthwhile.
