Dear Friends:

Our boys and girls in the sixth grade went to camp during the week of April 11-15 and returned excited over their fine experience. We understand that it was the first time for some of them to be out of San Diego and away from home!

It was a thrill for me to go to Camp Cuyamaca one evening and see the children there having such a wonderful time. They were enthusiastic about the fun they were having as well as what they were learning.

May I tell you of the appreciation we all have for your generous financial assistance in sending the children to Camp Cuyamaca. The admiration we here at Lowell School have for your fine organization is sincerely expressed in this letter. You do an excellent, worthwhile service to the community.

Best wishes for continued success to your group.

Sincerely,  
Robert Pinches,  
Principal.

My dear Adm. Gehres:

We wish to thank you and the Kiwanis Club for the very beautiful cake which you sent to our children. A gift of this kind means so much to the children and so, of course, to all of us. We do appreciate your thinking of us and admire your fortitude at leaving such a lovely cake uncut.

Sincerely,  
(Mrs.) Alice B. White,  
Director.

## Howard Carroll Has Completely Remodeled Plant

Orchids to P. P. Howard "for cuts" Carroll on the national recognition he has been getting on his extensively modernized photo engraving plant.

Characterized by engraving experts as embodying the "new look" in engraving shops, his remodeled plant features a new concept in photo engraving production. In an abrupt departure from the job-shop traditions of the engraving trade, Howard's new plant boasts a "continuous flow" — type production line, where waste time and motion between processing stations is drastically reduced.

The efficient new plant, now one of the finest on the West Coast, has been featured in a number of the nation's top graphic arts journals.

Kiwanians and Kiwanis-annes are invited to visit his remodeled plant, Howard says, where they will see the latest photo engraving processes as well as San Diego's first Graphic Arts Technical Show.

## Meeting Room Offered Committees and Kiwanis-annes

Dear Mr. Gehres:

Something new has been added . . . and the organization of which you are president is cordially invited to use the facilities of our new Club Room here in Dryer's Furniture Store.

Because it is often so difficult to find convenient, private, comfortable accommodations for a small general meeting, board meeting, and committee sessions . . . Dryer's is making available their new, beautifully-furnished Club Room as a public service to all clubs, societies, forums, churches, card parties, etc.

Your membership will find Dryer's central location accessible from every part of town . . . and there's plenty of free parking always.

Your reservations may be made by simply phoning our Social Secretary at BE 3-6421 in advance of the meeting date.

It's our pleasure to be of service to both you and your organization. We're looking forward to your visit soon.

Sincerely,

J. N. Lehmann,  
General Manager.

P. S.—At the present time no arrangements have been made for food service . . . but possibly we can do this for you at a later date. In the interim, however . . . Club Room visitors will be our guests for mid-morning coffee.

## Last Week

**Leo Calland**, also a board member, presented Co-Star of the Month for April to **Bill Gookin**, two-miler, and **Jim Hunt**, miler, who set a new Aztec record at San Diego State College this year.

Rogers also received Metro-League Track Athlete of the Year Trophy.

## Balls of Chewing Gum!

"Chic" Holloway presented another nice check to the San Diego Kiwanis Foundation in the amount of **\$92.11.** This represents approximately 6000 balls of chewing gum sold through the various machines around downtown San Diego. "Chic" also reported a grand total of **\$7,770.01** we have received as our share since the first machine was placed eight years ago.
