ASK A FRIEND TO JOIN

KIWANIS

HOW DOES ONE JOIN?

A present member of Kiwanis acts as sponsor and completes a proposal for membership. The prospective member fills out an information sheet to accompany the proposal. These are presented to the Club's Board of Directors. Upon favorable action, the new member is asked to meet with the Education Committee, at the end of which he indicates his willingness to assume responsibilities. Induction takes place in a simple but dignified ceremony at the club's regular noon meeting.

THE PROGRAM

RICHARD L. LEVIN is a tax consultant with a specialty in tax planning and tax-shelter investments. At 34, he is one of the youngest tax authorities in the nation.

His firm, Richard L. Levin Consultants, Inc., has offices in San Diego, New York City and Indianapolis, and has been in operation since 1976.

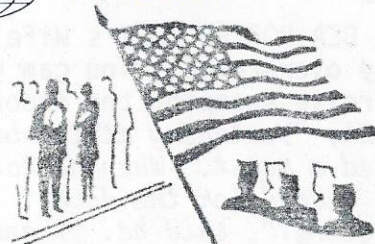

A graduate of Indiana University with academic honors, Mr. Levin also has a law degree from the University of Virginia School of Law. At Indiana, he was president of the student government and a member of the Blue Key national honor society. Later, he was president of Virginia Law School's Graduate Residence Council. While Mr. Levin does not actively practice law, he is a member of several state and federal bar associations.

His company counsels clients on tax planning and tax shelters and the employees include two full-time attorneys who are admitted to practice in at least two of the jurisdictions in which his company maintains offices. Many of his clients participate in major real estate and oil and gas transactions recommended by Mr. Levin to enhance their tax situations.

Mr. Levin will examine the key elements of tax planning and how to keep as much as possible of your hard-won earnings for your own use. You won't want to miss this interesting and dynamic speaker who will explain four basic techniques that are available for effective tax planning, Tuesday, June 16, 12 Noon.

June 14 — Flag Day

Yes, Sunday is Flag Day and the beginning of Flag Week. Hopefully this reminder will encourage everyone to think about and display 'Old Glory' at their home or office. This will be a special 'Time to Care' for the symbol of our Country.

THE NEW OLD GLOBE AND LADIES' DAY

Last Tuesday, GRAIG NOEL gave all assembled a look at what is happening in the restoration of San Diego's world famous 'OLD GLOBE'. As most know, our theater is a major stage for thespians in all phases of the acting world. The new theater will rise to even greater heights in the future. We were again treated to another Ladies' Day and had many join us for this interesting program.

SLIGHT CHANGE TO WEEKLY FORMAT

For the remainder of the Club year, we will be having a different Past President as a part of the program. They will lead the Pledge, make some announcements, and what ever other contribution they would care to make. We've missed seeing them and their presence will add to the fun. **NEW MEMBERS** should be made to feel at home and welcome. When you see the round badge... make yourself known to him... you'll both be glad you did!

TABLE TALK

...Quote BEA ROGERS (DEE's Wife), "Golf is highly over-rated. You can get the same exercise sweeping the floor."...

-Again BEA, "Yesterday at the butchers, I selected a roast. When he told me the price, I headed for the door." "Where are you going?", said he. I answered, "Going to the bank to float a loan!"...
