PREZ SEZ

"WHAT'S BEEN HAPPENING IN OUR CLUB LATELY" as we enter the last quarter of the Club year, a moment must be taken to note activities that are going on right now. BOB KLAIBER'S Membership Committee continues to stimulate proposals that produce quality members...ANDY ANDERSON has our talented sportsmen participating with great skills...TOM TOLLESON'S scholarship Committee is doing a super job of supporting deserving students...BILL CORBETT'S Inter-Club Committee is outstanding providing opportunities for members to meet at other Clubs-(see the information on the TECATE event in this TIDINGS)...HARRY FRELS and JUNIOR TODD doing superb, planning future Club activities...BERNIE KAYE'S Boys & Girls Committee has kept us involved with youth in San Diego...GALEN COFFMAN'S International Relations Committee is extra active, strongly sustained by a dedicated group...BOB AMON'S Agri/Conservation Committee continues superior efforts being involved in the community... BERNIE BIERI has been leading the FOUNDATION BOARD OF TRUSTEES through many remarkable achievements...and so, on and on, never enough space here to keep you advised of all that's occurring by, with, and through our wonderful membership. There is that magic of service goals to the San Diego community, fellowship, and loyalty to the objects of Kiwanis that keeps us all happily together doing what we are so proud to do.

Nothing in this world is so good as usefulness. It binds your fellow creatures to you, and you to them; it tends to the improvement of your own character and gives you a real importance in society, much beyond what any artificial station can bestow.
