Plain facts told by speaker

The dynamic talk given by Mr Joseph Roucek on the European situation will long be remembered by those present for it gave us in a clear concise manner the beliefs of those who have made this matter a study.

There will be much thought given to the "post-war" straightening out of this entire muddle for such it is and no doubt will continue to be for a long time to come and through it all, there will emerge a strong world, fulfilling the thoughts of those who are for or against world Communism or whatever is trying to gain control of this globe.

Mr Roucek was fearless in his expose of what is behind the European mind and we should look well to our country so that we, too, will not be under the throes of Dictatorship and the thoughts that we have been fighting to overthrow.

With the war in Europe over, the future peace work will determine just how much has been gained by the various controlling beliefs of domination.

Present or past enemies sometimes make strangely fine bed-fellows so it will behoove us to keep our ear to the ground and our wits keen, according to Mr Roucek lest we fall into the same rut into which Europe has been falling for these many years.

In a few weeks we will again have a speaker who gave us a talk about Russia about a year ago and it will be interesting to note the statements made by him.

Don Hanson pays tribute to GEORGE W. SHAVER

In a few brief well chosen words, Don Hanson gave a talk about our departed member, George Shaver and paid him the respects of the club in a personal eulogy.

George will be missed at the club for he was an old standby in every way and not only our club, his business companions but the city has lost much in his passing for he did great work in the transportation field in San Diego.

NEW MEMBERS

Our newest member is John Cook, Jeweler.

John is a member of the firm of Haubert and Cook, Manufacturing and retail Jewelers located in the Granger Building Room 514.

His residence is 4216 Albatross Drive where he lives with his wife Marjorie and his little daughter Penny.

John will be a great asset to our club as he is one of the younger set who has started to "go places" having just recently been elected as president of the Masonic Luncheon Club of San Diego and is also a member of several other organizations.

His hobbies are Speed Boats and Automobiles and from the emphatic way in which Roy French Kidd stated them, we are sure that his hobbies are "Speed Boats and Automobiles".

Glad to have you with us John and we will be looking for your assistance in every way in Kiwanis.

Attendance Contest brings good results

Our attendance contest will shortly be at an end and we are now awaiting the report of the New Orleans Club for comparison

If nothing else ever comes out of such contests we are sure that the members will be made more conscious of the need for better attendance and that alone is worth every effort put into such a contest.

Our attendance has increased thereby and next week we expect to be able to make the announcement of the final results of this tryout contest.

Our next meeting will be devoted to the latest release of War Motion Pictures from the South Pacific and should prove interesting.

Lou Mulligan will be program chairman.

HIS LITTLE VOICE

When the morning sun is blinking
and the day begins to break,

And before I'm really conscious
that I'm more than half awake,

There's a little voice that sweetly,
gently falls upon my ear,

And in tender, pleading accents
from a trundlebed I hear,

As his tousled head peeps shyly
from the counterpane in view:

"Papa, say, I dess it's mornin'; can
I det in bed wif you?"

'Tis good-bye to pleasant Dream-
land when that little voice is
heard,

Though I make believe I'm sleep-
ing and give neither sign nor
word;

But unless a ready answer is forth-
coming, soon I see

Little eyes all filled with laughter
smiling sweetly there at me,

And my name is gently whispered,
as two little lips renew:

"Papa, say I dess it's mornin,' can
I det in bed wif you?"

And I start off to my duties with a
heart that's light and gay,

And the work seems only pleasure
through the long and busy day.

Life takes on a fairer brightness,
and I'm cheered because I
know

That a little hand is leading where-
soe'er I chance to go.
