THE PROGRAM

CRAIG NOEL, Executive Producer, has carried the world of the Old Globe on his creative shoulders for more than forty years, and IS the symbol of the theatre in San Diego.

When the Old Globe's first Shakespeare was played in the spring of 1935, for the two year California Pacific International Exposition, 20 year old Craig was a member of the Bam Players, an amateur group which became the nucleus of the first community theatre productions in the Old Globe after the close of the Exposition.

At 24, his directing career began with "The Bindle-Stiff's Dream". Between 1939 and 1941 Noel directed more than a dozen plays. Drafted in the spring of '44, Private Craig Noel was off to New Guinea and Luzon. After the war, he was assigned to Special Services and sent to General Douglas MacArthur's Tokyo headquarters where he directed a rapid fire turnover of new stage plays every three days at Japan's show-house, the Ernie Pyle Theatre. Noel returned to the Old Globe in 1947.

Unselfish, humble, loyal to friends and associates, the magic of Noel's mind has touched myriad from set designers toround-the-globe travelers. The word "gentle man" aptly describes this gentleman, not from Verona, but San Diego. "And the elements so mix'd in him that nature does stand up and say to all the world, "THIS IS A MAN!"

Be sure to bring your 'lady' to this exciting, interesting program.

PREZ SEZ

WOW! Another terrific program Tuesday! Dr. Stuart H. Merriam gave all those in attendance a stirring presentation on life in New Guinea. He heads a Christian Mission there. He was assisted by three diminutive natives from that country. Rare insights into a fascinating culture. ED BEAN (Delta Airlines) was Chairman of the Day. Better yet, it was the first of two LADIES' DAYS and many were in attendance. Next week is another day to bring your lady. Don't miss it...

SOME INDIVIDUAL NAMES OF NOTE

What a joy it was to see TOM PEEK back among us again. His first day was the occasion for Past Lt. Gov. GENE DeWITT to present him with the DISTINGUISHED PRESIDENT award - for all his good deeds during last year. Congratulations TOM. For the past year as President and for being with us again. You were missed!... Speaking of other great men, BOB JUSTUS has been at every meeting this year! Still on the mend, but a participant as always. BOB is one of the Club stalwarts. He always sets examples to follow...the latest being courage and indomitable spirit...Our "MO" PEELE is now among the mufti...will take over as Congressman DUNCAN HUNTER's Administrative Assistant. (Mo will become a 'regular' with us.) Mo's replacement, MYLES FLADAGER, the new NTC Commander, will be with us now. CONGRATULATIONS TO BOTH!!!

IF THE safety pin were invented today, it would have two transistors, a regulator, an off-and-on switch, and require a service check every six months.
