Judy Johnson's incredible trampoline talent has been enjoyed by millions of people throughout the United States, Mexico, Canada, and Europe. She has appeared on major television shows such as Mike Douglas, and Johnny Carson. Judy has inspired millions of students by appearing in over 4,000 schools in the last 11 years. Her program emphasizes how to control and eliminate stress through exercise.

Judy and her husband, Harold Coates, were filmed doing thrilling trampoline artistry on Chuck Connor's television program, "Thrillseekers".

PREZ SEZ

The last two meetings were delightfully different... February 24, GEORGE SUNGA, a former SD High School classmate of 2nd VP BOB SHUMAKE, gave us an interesting, inside look into the world of TV productions. He was introduced by LAURIE CARR, the principal of SD High at the time BOB & GEORGE were classmates there. A 'Ladies Day' added to the occasion providing one of our best programs and largest turnouts ever.

Last week DR. ROBERT A. MOORE presented a fascinating insight into the psychology of mental illness and its relationship to the brain.

(Note: For those of you who missed one or both of the meetings, this is a reminder to be sure and 'pencil in' Tuesdays and plan to join us. Super programs... delicious food... real fellowship with the greatest group of men in San Diego...!!!)

Last Tuesday was our annual 'Salute to Senior Allied Officers' brought to us again by MARK MOORE through the US Navy at Coronado. We are always pleased and happy to recognize these fine men representing several of our overseas allies. Thanks MARK! Another job well done!

We are endeavoring to blend as much humor as possible into the meetings. Most is rightly and interestingly of a semi to very serious nature. However, smiles are always welcome. Starting next Tuesday, we will allow anyone (up to not more than 3) to identify himself and his company, then tell his clean joke. If there is no noticeable laughter, it will mean an instant donation to the Foundation. Think of a good story (brief and funny) and volunteer...your efforts will be appreciated!

Experience is something you get right after you needed it.
