

President to Visit San Diego

Not President Ike, but Kiwanis International President Don Engdahl. The joint Division 11-21 40th anniversary party was such an outstanding event, unmatched outside a convention assembly, that President Engdahl decided he wanted to come down here and see just what we had in Southern California that other areas don't have. Not since the very earliest days has San Diego been visited by the Top Kiwanian and this is an opportunity for us to make President Don's visit a really memorable one. There will be a two-division Inter-Club meeting on our regular meeting day, Tuesday, April 5th at noon in the new banquet hall of the El Cortez. The Board has designated this as our official meeting place for this week, though in accordance with the By-Laws there will be a round table at the San Diego Club for those who can't make it up the hill to the El Cortez. (If there be any such) This would be a fine day for us to get a 100 per cent attendance. How about trying?

You'll be interested to know that contributions in the boxes last Tuesday totaled \$62.00! And the gum machines produced in excess of \$25.00! You certainly are a generous hearted bunch of great guys, and the fun I have on Tuesdays is worth all the effort in between, believe me. I noticed that you enjoyed our chorus, just as I did and we'll try to get them on the program oftener. If you like to sing—and you don't need to be a "voice," why don't you join them. **George McMaster** is Master of the Chorus and he'll welcome all recruits.

Les.

Clubs Change Times For Holding Meetings

Coronado Kiwanis is now meeting at 6:30 P.M. on Thursdays at La Avenida Cafe, according to word received from makes-upper Jesse Nelson.

The Lakeside Club is now meeting on Monday noon at Kiwanis Hall in Lakeside.

Teen-Age Traffic Safety Parley Scheduled

San Diego County teen-agers will hold their second annual Traffic Safety Conference in Balboa Park's Conference Bldg. March 25. Designed to promote methods of reducing traffic accident rates among teen-age drivers, the conference is expected to attract more than 700 students. Junior college representatives will join junior and senior high school delegates this year.

There is no such thing as a minor traffic violation. Under actual driving conditions, difference between a so-called minor violation and a fatal accident can very well be only a fraction of a second and a lot of good luck.
