TABLE TALK

THOSE THAT MUST GO

Usually know ahead of time

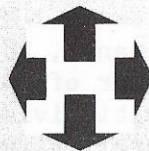

If you have a commitment that will not allow you to stay until 1:30 on meeting days, please, out of courtesy to the speaker, leave before 1:00. THANKS...

...RAY SHUKRAFT went north to the Bay Area to visit his grandkids - came home to rest up. He set the crab industry back six months in that area... The DEE ROGERS' are going to Madison, Wisconsin and New York on two weeks vacation... Snowbirds, LARRY HOLTKAMP and HAROLD BRANDRETH, will be spreading their wings for home after the 15th of March. Bon Voyage! Gute Reise! Buen VIAJE! See you next winter!!! ...Absent minded professor story from our Super-Prof, MINOS GENERALES. MINOS invited JACK TEMPLETON to lunch at National University. During the lunch, with a dozen local notables, a table partner asked MINOS who was President of our Kiwanis. MINOS leaned across the table addressing JACK, "Who is our Kiwanis President?". MINOS says, "A moment of silence ensued, a puzzled look appeared on JACK's face, and I had an awkward, embarrassing moment when JACK answered, "Don't you know? I am!"...!... BUD SPRAGUE's favorite quote is: "Keep America Rolling by Buying Chevrolets!"... BERNIE KAYE says diamonds may be a girl's best friend, but now is the time to buy land..... Enjoyed the company of MAJOR SOEDJARWO of Indonesia. Learned many things about his country and customs. His given name, SOED, is combined with the name of his home island, JARWO, to become his sir name, i.e., SOED-JARWO. The island of JARWO is especially noted for its superior quality of black pepper, shipped world wide. GALEN COFFMAN, please note...

Our thoughts and prayers are with Ed Abegglen & Family in the loss of their beloved Wife & Mother, Ruth Abegglen.
