There are meetings all over the county - 6 days a week. BILL CORBET (Moore Bus. Forms) is our Inter-Club Chairman. Pick a day and a time; gather up three Kiwanis friends and go to one near your home or office. Mr. S. Jack Templeton
President, San Diego Kiwanis Club

San Diego, CA 92108

Dear Mr. Templeton,

I would like to express my appreciation for the outstanding luncheon and the overall very memorable experience provided by the San Diego Kiwanis Club for the officers attending the twenty-third annual Amphibious Warfare Planning Course for Senior Allied Officers conducted by the Naval Amphibious School, Coronado. I am particularly grateful to Mr. Mark Moore for his assistance provided to the allied officers.

As the Commanding Officer of the Naval Amphibious School, Coronado, I am naturally eager for the educational and associated experiences of our allied friends to be as valuable and as varied as possible during their sojourn in this country. Your kind help and cooperation in providing this warm, personal experience have greatly contributed to the favorable impressions gained by these gentlemen, and therefore enhanced the further development of good relations between their respective countries and the United States.

The officers of this year's course join me in extending our sincere thanks and appreciation for your kindness and cooperation. It is through personal efforts such as those provided by you and the San Diego Kiwanis Club that these Senior Allied Officers will depart the United States with feelings of goodwill toward our country. We look forward to your continued support for this program and thank you again for your warm extension of hospitality.

Sincerely,

J. T. WILLIAMS
