## THE PROGRAM

DEAN R. DUNPHY, President, Board of Directors, Centre City Development Corporation, and President of Dunphy Construction Co.. He received his Bachelor of Science in Business Finance from USC.

Dean is a former president of the San Diego Chamber of Commerce. He is a member of the Commission of the Californias, past chairman of the International Affairs Board of San Diego, chairman of the Central Advisory Board of the Salvation Army, a former director of the Business Resource Center and a member of the Kiwanis Club of San Diego.

FRED SCHNAUBELT, Councilman, Fifth District, City of San Diego, has become one of San Diego's most outspoken and articulate advocates of free enterprise, limited government and reduced taxes. Elected to the City Council in 1977, he is respected for his independence, determination and philosophical consistency.

He emphasized the need to communicate with large segments of the electorate in order to generate broad support for his views. In his tenure on the City Council, he has emphasized the need to reassert the importance of individual rights in the face of increasingly powerful big government. In addition, he has been a leader in the movement to limit the size of government and to improve governmental efficiency.

Be sure to bring your lady and friends to hear the pros and cons on the convention center issue. It will be interesting.

## PREZ SEZ

# Plan Ahead

EVERY great improvement has come after repeated failures. Virtually nothing comes out right the first time. Failures, repeated failures, are fingerposts on the road to achievement.

 Tuesday was an all USC day...speaker DR. ANDREW STRENK presented fascinating insights to the world of international sports. Chairman HARRY FRELS (Realty World) was the introducer of the TROJAN Alumnus members after Jose ED SCOTT (Heritage Leasing) gave the invocation. BILL STURGEON (SD Off. Supply) was at the head table for a change, which inhibited his heckle..of the Pres. (Should we make that permanent?)

We are most proud of our ex-Pres. ELLIS BENSON (SD Community Colleges) for being elected Lt. Governor of Kiwanis District II for 1982-83!! Congratulations ELLIS...

We know you will do a great job!

IN Africa some of the native tribes have a custom of beating the ground with clubs and uttering spine-chilling cries. Anthropologists call this a form of primitive self-expression. In America we call it golf.

## TABLE TALK

What is a...  
CHILI COOK-OFF??

It is a contest..  
BUT - it is also  
one of the most  
entertaining,

*different, spectacular shows you will ever attend!!!* 50 CHILIHOLICS (either individuals or teams, of up to 5) will have four hours to cook at least 1 gallon of chili to compete for a cash prize (\$1,000 at ours on May 2nd). There is an International Chili Society that is sponsoring our Cook-Off - and the winner will be eligible to compete in the state cook-off. Any of our members who would like to compete can pick up the official rules and their entry form from our 'K' office.

We have invited all the 'K' Clubs in the county to join us on Tuesday, April 28, (at our regular club meeting) for a Chili Cook-Off contest. The winner will represent Kiwanis on May 2nd. (Wives can participate with their husbands.) (Chili to be cooked before coming to our meeting-following International rules.)

During the 4 hour cooking time-for spectators-there will be: Big Band Music; Battle of the Navy & Air Force Bands; a special presentation by the U.S. Navy Band & Drill Team; stage presentations by International Chili Cooks & friends; cold refreshments & eats; etc., etc... ALL OF THIS STARTS AT HIGH NOON. Admission for spectators is \$3.00/AND WE GUARANTEE YOU HAVE NEVER HAD AS MUCH FUN!!!

GALLEN COFFMAN has worked many-many hours putting this together and he will need at LEAST 150 of our members to help him May 3. See him on Tuesdays, or call him if you can help us make this FIRST a SUCCESS.

also - a CHILI JINGLE is needed to use in our advertising. Last Tuesday, at our meeting, some of our members wrote some for us (a few of them follow). If you didn't submit one bring it with you Tuesday. The winning JINGLE will receive a prize.!!

"Let's go to the Kiwanis Cook-Off for Chili! You'll say the tasty dishes are really a dilly! The chefs preparations are rare indeed! You shout Ole' as you enjoy your feed! ...I've got spurs that jingle, jangle, jingle; As I sit eating chili all day long. Don't know why I have to be a single, But my wife just wouldn't come a-long! ...Chili supreme on this day, and not a bean in sight. The meat is lean and prepared to please - The Most Fastidious Type! ...Chili is good. Chili is hot. It is so good - I ate the whole pot!

...Roses are red, Violets are silly, If you hold a cookoff - the cookee is chili! ... (chili, chili); Chilly, Chilly; WILLY, NILLY; Cold or Hot: The taste's a DILLY! ...Put some chili in your belly - and warm up all over! ...Sound off, cook off, off Rosecrans, off together! ...The Kiwanis Chili - is nutritious and delicious. After you eat it, you feel ambitious! ...If you think it's silly - To dream up a chili - Then forget your stroganoff - And come to our cook-off! ...A cold dish it's not - With ingrediants frilly - You may call it hot - But I call it chili! ...As you wander about - On chores willy-nilly - Respond to our shout - And come try our chili! ...

On a bright, warm day in May - Kiwanis Chili shows the way. Texas hot or West Coast mild - Taste to please adult and child! ...A Chili Cook-off in May - Lots of work, fun and play - sponsored by our Kiwanis - Proceeds for our projects fondest. Located at the Recruit Base - Saturday 2 is the day!"...
