## THE PROGRAM

On the morning of 16 April the twenty-five hundred officers and men of Amphibious Squadron SEVEN heard the sharp blast of a whistle followed by the words "moored, shift colors." This marked the completion of a six-month deployment to the Western Pacific and Indian Oceans for the six ships which comprise the squadron. The squadron participated in amphibious assault landing exercises, and visited ports in Thailand, Australia, Singapore, Kenya, and the Phillipines.

Captain Richard F. Green, Commander Amphibious Squadron SEVEN, and Captain Dwight D. Timm, Commanding Officer of the Squadron flagship (USS TARAWA), will recount the thirty-five thousand mile odyssey which led to this San Diego homecoming.

Captain Green a graduate of Villanova University, received his commission in 1957 and qualified as a Naval Aviator the following year. He commanded Patrol Squadrons Twenty-Three and Thirty-One and the USS JUNEAU (LPD-10) prior to assuming his present position. He also served as Special Assistant for Congressional and Media Affairs in the Telecommunication Directorate of the Executive Office of the President.

Captain Timm received his Bachelor of Science Degree from North Dakota University and entered the Navy in 1957. He is a Naval Aviator and commanded Fighter Squadron Ninety-Six and the USS NASHVILLE (LPD-13) prior to assuming his present command. He has logged over four thousand six hundred hours of flight time in over forty different models of fixed and rotary winged aircraft and has more than one thousand carrier attested landings.

# Good Programs!

For some 31 weeks, our 2nd Vice Pres. BOB SHUMAKE (Pac. Outdr. Adv.) has been the provider of Club programs. He has handled a difficult and demanding job exceptionally well. His efforts are appreciated by everyone. BOB stays a couple of months ahead of schedule and expects to be well planned into the next club year when 2nd Vice Pres. RENE GENTRY (newly elected) takes over in October. HOWEVER...since many of our best programs come from our members, BOB still needs your input... Do you have a good program to suggest? Call BOB (283-7074) - pass on your ideas!

SOME MORE NEW 2nd V.P. INSIGHTS (GENTRY)  
RENE GENTRY (V.P. Central Fed.) our newly elected 2nd Vice Pres. and Program Chairman has been a Kiwanian since 1966. He began in the La Jolla Club, had risen to their Board of Directors and was scheduled through the 'chairs' when he was transferred to downtown San Diego. RENE has been an active and effective member of our Board. We know he will be an asset to the Club as an executive decision maker.

### TIME TO SAY, 'GOOD BY', JACK

JACK BUCHART (Mgr. Pac. Tel.) has been moved 'upstairs' as a Regional Manager with Ma Bell and will be moving to Pasadena this month. We shall miss JACK and his lovely wife JAN... but, wish them every happiness in their new life.

In health class a teacher asked a six-year-old what he did to protect his teeth. "I watch out for kids pushing at the drinking fountain," he said.

## TABLE TALK

At the last Kiwanis-Student/Counseling Center demonstration at Vista Grande elementary school, the lady principle told us that unexcused absences were reduced 56% since the program was put into effect last October. Besides the Major Emphasis Committee members present, Kiwani-Anne BETTY EKSTROM & Kiwanians RON KENDRICK, FRANK THORNTON, BOB KLAIBER, SEF TORRES & GAGE SLUSSER also attended.!!!. Another elementary school principal expressed his enthusiasm for the Student/Counseling Center conception (after approx. 3 years) in several ways: the inexpensive cost per student (\$15); reduction in vandalism and graffiti (less repair & repainting); less absenteeism, principal referrals, suspensions and corporal punishment; more pride in the school by all (administrators, teachers, students); a far better learning atmosphere!!! Ask MOON CHAPPLE, ED MILLER or ED BINGHAM about this program and what you can do to help! Our Club can be truly proud to be the sponsor....!

**LEADERSHIP** is the art of changing a group from what it is into what it ought to be.

 ...JOHN NERSESIAN is looking forward to the three day week-end -- to get all the undone things done....!!!

Our wonderful gal, SANDY (Rose's lovely daughter), is going great guns--JUST GRADUATED FROM SDSU in Political Science with membership in the Honorary Society; she's already Assistant to the Director at SDSU's SOCIAL SERVICE RESEARCH LAB, (and runs computers and things like that), and she will be employed full time as of June 1 when we'll loose her, (we'll sure miss her). The lab has done survy research on such things as the CONVENTION CENTER, DRUG ABUSE, & AGING & RETIREMENT, (she's got a bunch of us in her computer!). Now she's aiming at law school in 1982. Our grateful thanks from all of us, SANDY! Best of Luck! Drop in on us when you can.....
