Last Weeks Meeting

We were happy to see such a good turnout from Lakeside for their Inter Club. Come again.

Henry Mandolf made a pitch for support of the Winter Olympics and Pres. Les handed him a Kiwanis "Baton" to be filled with quarters, however. Les started it off with a one dollar bill. Before the speaker started Henry had the "Baton" filled and turned it back to Les. Another San Diego Kiwanis first? Henry also has some tickets for an Olympic benefit to be held at Hoover Hi on Monday night, November 7th.

EDITORIAL

"FUNDAMENTALS, FELLOWSHIP and FUN"

By Russ Stowell

A Convention is many things to many people. The order of their importance is difficult to list, so we try to plan interest and diversion for different tastes.

Our opening Memorial Service set the theme for the serious side with the beautiful music of the Glendale Chorus (an institution of our great district). The inspired narration of International Trustee Park Arnold gave tribute to departed Kiwanians, while Reverend Lindquist's message gave us a pattern for better

living.

For those who came for the purpose of training in the various aspects of Kiwanis endeavor there were the workshops and panels. One of these was the song leaders work shop which demonstrated that the comparatively inexperienced Kiwanian could become an above-average song leader in a short time.

The Fellowship Luncheon was all that the name implies. Friendly atmosphere, satisfying food, excellent entertainment from within our own ranks. An event that sent you away smiling and glad to be a Kiwanian.

On the lighter side there was the Governor's Ball at Coronado, the feature night Variety Show, not to mention the many division get-togethers.

Yes, our Convention has come and gone! There have been many lavish expressions of praise, particularly from District Officers who have asked that the many tireless workers from our club and other clubs of Divisions Eleven and Twenty-One be appropriately thanked for a job well done.

From the Mail Box

Dear Les:

That was a convention!!

You and Russ and your Lt. Governors certainly went overboard. Congratulations!

Sincerely yours,

Audre L. Stong,
Lt. Governor, Division 10

Dear Admiral Gehres:

The Kiwani-Annes are very happy to send the Kiwanians this check for \$250.00, the amount you lent us for our project this year.

We are grateful to you for the loan and thankful for all the help we have received from Kiwanians in our work this year.

I hope we can continue to work

together in many other worthwhile projects.

Very sincerely,

Natalie Newman

Secretary of Kiwani-Annes

Editor's Note: The project was the rehabilitation of the teen-age girls quarters in the San Diego Children's Home. Our club contributed \$250.00 and loaned the Kiwani-Annes \$250.00. The girls did a wonderful job and we were privileged to have a part in it.
