

**ICE HOCKEY****SPEED AND THRILLS GALORE**

There is not a dull moment during an entire hockey match.

If you haven't seen a hockey match there is a big surprise in store for you, it is the fastest game played in America and is packed with thrills from the moment the puck is faced off until the final whistle.

Your Sports Committee wants to make this match an annual affair and we need the full support of each and every Kiwanian. We want to show the Management of Glacier Gardens and the San Diego Skyhawks team that we are behind them as a club.

All the members of the Skyhawks team are donating their services to help put this charity game over for us, so let us do our part and in a big way.

With the increase in membership of the Kiwanis Club we have taken on additional projects. In the past our one objective was the Helping Hand Home for Children, now changed to the Childrens Convalescent Home and we have done a very fine job. But now we have raised our sights to include "The Boy Scouts" and "Camp Fire Girls."

In order to do a job worthy of the Kiwanis Club we must have some way to encrease our revenue without assessments on individual

members.

Therefore we looked around for a field in which to promote a charity game that would provide us with enough cash to carry out our ideals. As Ice Hockey was comparatively new to Southern Californians, this game seemed the logical one for us to try and secure.

Our proposal to the Management of the Glacier Gardens met with instant approval and now after a year of planning our efforts are to be given the acid test.

We ask all members of Kiwanis to get behind us and make this game an outstanding success, because we hope to make the Pre-season Hockey Match an annual affair.

Your Sports Committee.

The pictures shown through the courtesy of the Standard Oil Company contained action at its best.

The thrills contained in the hunting, fishing and racing scenes were enough to bring one out of a deep sleep and we are sure that no one member found it possible to take a little cat nap while the pictures were being shown.
