San Diego Kiwanis Tidings

"Entered as second-class matter January 18, 1952, at the Post Office at San Diego, California, under the act of March 3, 1876." Published weekly at Pioneer Printers, 805 West Cedar St., BE9-0341, San Diego 1, California, by the Kiwanis Club of San Diego, California. Chartered December 4, 1920. Subscription price \$4.00 per year in advance.

Kiwanis Convention Greatest!

The 1955 California-Nevada-Hawaii District Convention was the largest ever held in this District. **Russ Stowell** reports a registration of 3166. With the addition of family and friends who came along, it is estimated that the convention brought close to 4000 to San Diego.

The highlights of the event were the Governor's Ball, the boat ride around San Diego Bay and tour of the aircraft carrier USS Kearsarge, and the Fellowship Luncheon where over 1300 were served and royally entertained. The Ladies Tea and Fashion Show was the best ever attended with over 1000 ladies present. There was so much interest in the Golf Tournament that our club members had to bow out to make room for all the contestants. Bob Dent of the East San Diego Club won most of the laurels in the Bowling Tournament.

1956 DISTRICT OFFICERS ELECTED

Albert H. Sagehorn of Redwood City was elected **Governor** of the California-Nevada-Hawaii District and **William C. Batchelder** of Sonoma was elected **District Treasurer**. **Nat Eggert** of the El Cajon Club was elected **Lt. Governor of Division 11** and **Dr. W. A. (Pep) Pepin** of the Hillcrest Club was elected **Lt. Governor of Division 21**.

We hope to hear more in detail from that "ever-present" hardworking chairman **Russ Stowell**.

Russ Stowell Appreciates Club's Support

Being host club to a Kiwanis District Convention is no small job, and without the backing of the club members it would be an impossible task.

But that doesn't happen with the San Diego Club, the 100% enthusiastic support given by the various chairmen and their committees is without parallel. All functions were carried out to the letter and many complimentary remarks and praise were heard from those in attendance. Our own president, **Les Gehres** was outstanding and the Lt. Governors of Divs. 11 and 21, **Jr. Todd** and **Dan Turner** were most cooperative. Once more San Diego has been host for a District Convention and judging by the success enjoyed, the 3166 registered were happy for having attended.

Safety Suggestions

Beware on Halloween Night!

Parents must make every effort to keep this fun-filled holiday from becoming a traffic tragedy by seeing to it that their children wear light colored costumes, or costumes decorated with reflectorized or glitter material. Make sure your child's mask does not obscure his vision — better still use make-up instead of a mask. The witches broomstick, the trick-or-treat bag and the jack-o-lanterns and noise makers can all be decorated with reflectorized tape.

Plan parties to keep the children in as much as possible. If you can, accompany your children on their trick-or-treat rounds. And the motorist must remember to watch out for the tiny spooks and gremlins that will prow! the streets that night they may not be watching out for him!

School Days

The 1954 figure of 4,100 children under 15 killed in motor vehicle accidents is a challenge to each one of us, regardless of our occupation. As adults, we are responsible for the well-being of the generation now growing up, and it is our job to help them adjust to the fast-moving world around them.

ON THE ROAD: Expect the unexpected where children are concerned. All the safety rules they have been taught may be forgotten as a precious ball bounces into the street. Drive slowly, especially in residential areas and places where children congregate. Be alert to all signs, signals, traffic police and school patrols, and the youngsters themselves. Drive as if every child were your own!

A honeymoon is the vacation a man takes before going to work for a new boss.
